Buchanan High School
Buchanan, Michigan

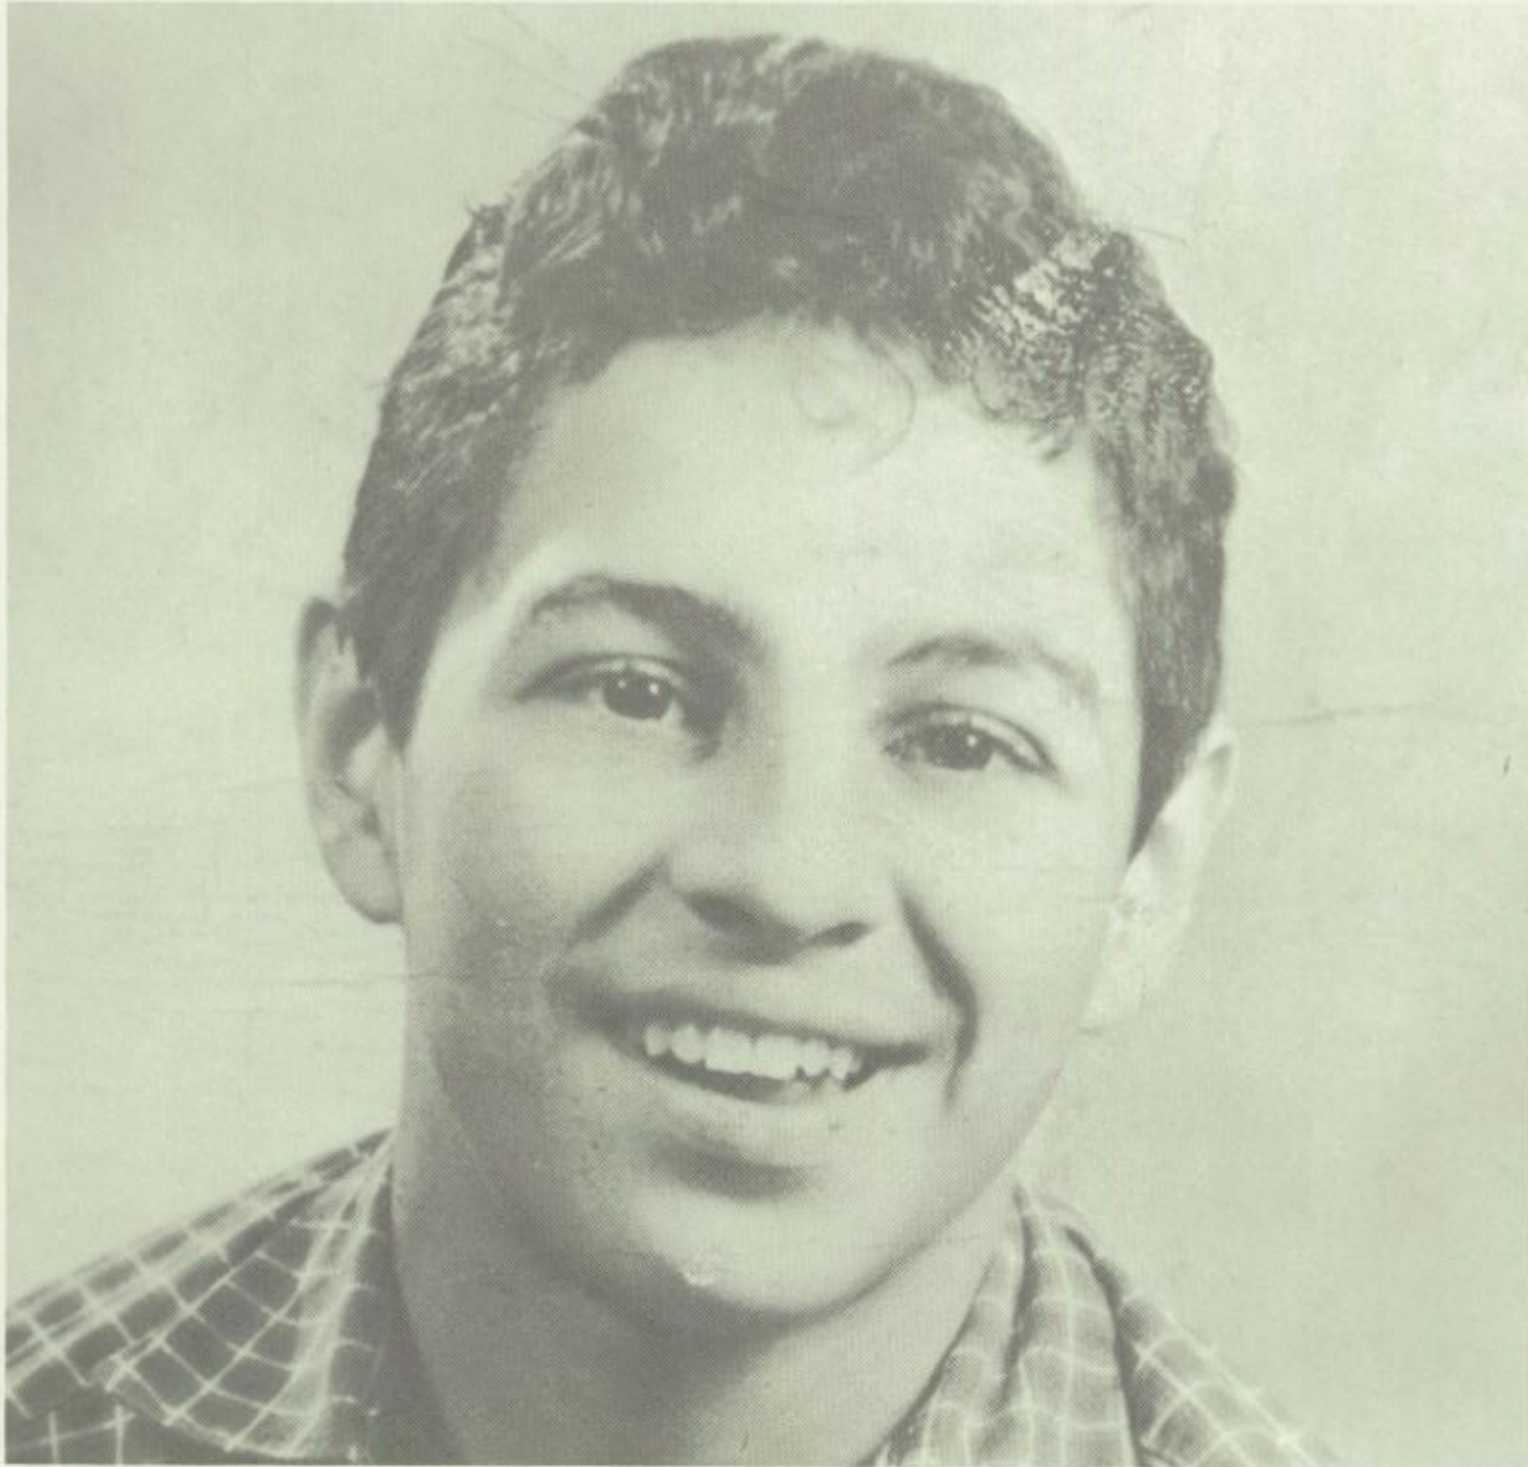

To the Faculty

During the short time in our lives while we are studying and learning we need the patient and understanding skill of someone who sincerely cares. That is why, with all due respect, the 1965 Seniors of Buchanan High School, do dedicate this 1965 PINES to the faculty of Buchanan High. All through our formative years of schooling, all of the faculty members have been at our side sacrificing their valuable time and welfare to help us form and accomplish our goals.

Now as we leave Buchanan High School we will all keep in our hearts, the fond memories of each and every teacher here at Buchanan High School.

Our Foreign Exchange Student

For the first semester of our school year we again enjoyed the company of last year's Mexican Exchange Student, Alfonso Corominas.

"Al" came to us from Mexico City and was allowed to stay beyond his original year's time. Al was admired by the student body of Buchanan High for his vast friendliness and willingness to work hard on all projects especially his school work. Al was voted friendliest by his fellow senior classmates. His outstanding sports ability in tennis was a great help and advantage to B.H.S.'s Tennis team last year and many benefited from it. Buchanan High can count itself among the many schools who were fortunate enough to have such an exchange student as Al.

Student Council Has Co-Advisors

The Student Council is the governing body of Buchanan High School. This organization consists of elected representatives from each class, seventh through twelfth. The Student Council is run by four officers, this year they were all seniors; President--Jeff Garmire, Vice President--Dick Zelmer, Secretary--Martha Mitchell, and Treasurer--Delores May. On like in the pass, two members of the faculty served as co-advisors, Mrs. Babcock and Mr. Dick. Projects of school importance were: improvement of the student council constitution, control of dances and bake sales at school, so that financially endangered clubs and organizations have enough money to supplement their treasuries, the Christmas dance, "Fantasy in Frost," the Homecoming dance, and in general, a solution to any problems arising from within the ranks of either students or faculty. For the betterment of both the school and the council, delegates were sent to the regional and national conventions. A very successful year was enjoyed by the 1964-1965 Student Council.

Student Council officers are: Delores May, Treasurer; Martha Mitchell, Secretary; Dick Zelmer, Vice-President; and Jeff Garmire, President.

Working on the "Fantasy in Frost" decorations are: Janet Funk, J. Russell, L. Metzger and K. Tees.

Yearbook Has No Advisor

The Annual Staff is definately one of the most accomplished organizations of Buchanan High School. From the beginning, the Annual Staff was an Under-Dog, since there was no faculty member willing to serve as director. This is the first year in the history of Buchanan High School that the annual was completely produced by students advised by three of their own classmates.

Judy McCaslin was Editor, Lee Ann Smith, assistant editor and Jack Babcock was business manager.

Before the annual can be planned the business staff must first form a patron list of the merchants of Buchanan who are interested in helping support the yearbook. The help of these patrons and the sales of the yearbook furnish part of the funds needed to publish the PINES. Some of the other money raising projects performed by this staff were bake sales, dances, and a car wash.

The Editorial staff is responsible for the planning of layouts, photography, art work and editing copy. Our work began unexpectedly in September when editorship was

announced. It lasted everyday until the book was put to press in March. All most all of the work was done outside school time. Many nights after school and many weekends were spent in preparation for a well organized annual. A few changes were made by this year's annual staff. Two of the most important and most recognized changes are that of fewer "Posed" pictures and less wasted space. We also added four more pages and tried to include more around school shots.

Two people the Annual Staff owe gratitude to are Mr. Trull, our principal and Greg Peterson, yearbook consultant. Through their confidence and patience, this year's PINES was made possible. Because of the lack of an advisor, and since there was no one familiar with yearbook procedures besides Mr. Peterson, it was as if the annual were in its first year of editing. Yet all-in-all, both staffs felt satisfied, confident, and relieved at the years end.

Buckhorn— "The Student's Newspaper"

The BUCKHORN is truly "the student's newspaper." It is published every week completely by the hard work of the students.

All interested students participating in the production of the newspaper can be classified in six groups, each functioning in a different capacity. The editors keep everything on the right road. The writers constructed the stories used in each issue. The typists transformed the writers' words onto paper, enabling more students to read the writers' creation. The artists decorated and titled the pages, making reading

more enjoyable. The printers gathered the combined efforts of all the groups, and mimeographed copies for the subscribers. Finally the newspaper is ready for distribution by the circulation staff. They not only deliver the newspaper but also make sure that all of the papers go to the right places and to the right people.

None of the accomplishments of the BUCKHORN staff could have been possible without the assistance of Mrs. Hiatt, the advisor.

Vel-Lit Develops

The Velmarian Literary Society, an organization formed in honor of Velma E. Dunbar, who was an English teacher in Buchanan for many years, was again formed this year. The members of the Vel-Lit attempt to develop their interests and knowledge of literature and the Arts. This was done in a variety of ways; attendance of area play productions and lectures, having book reviews, and maintaining membership in the Book-of-the-Month Club. Annually the society sponsors the Vel-Lit contest. This enables students to develop their literary talents. Awards are

The most outstanding entry of the senior high is presented with the highest literary honor of the school, the Velma E. Dumbar Award. Gaining Experience and Knowledge

The F.T.A., under the direction of Miss Powell, is a club organized to help students to decide whether or not teaching is the vocation for them. The purpose of this club is to acquaint the members with classroom procedures used by present teachers. When there was a curriculum meeting for the grade school teachers, the F.T.A. members with study hall at that time, would be taken to Moccasin, Stark and High School elementary classrooms where they would be in charge until the end of that school day. This was not only very helpful but also very rewarding from the F.T.A. members point of view. The F.T.A. has been very active this year. New committees were organized to relieve some of the duties of the officers. Trips to visit museums, libraries and colleges were planned and student teachers were invited to speak to the club. A formal membership night was organized and all were very enthused. Some of the money raising projects were a dance and of course, as in years before, the annual "F.T.A. Hot Dog Sale." This years officers were: President, Sandy Gwyn; Vice-President, Janet Funk; Treasurer, Carol Russell; Secretary, Lee Ann Smith and Parliamentarian, Tom Topash. The F.T.A. would like to thank Miss Powell, their advisor for her help and cooperation in making the F.T.A. Club the working organization that it is today.

Active Debaters

Although the size of the Debate Club this year was a little smaller than it was last year, the club once again turned out a fine Debate team.

Debate is a very beneficial extra-curricular activity which rewards the participant with many fine qualities. Initiative, better study habits, and speaking abilities are among them. Debating combines speaking opportunities, humor, strategy, and research effort into a very useful pastime. Again this year, the club used the idea of changing team sides and members on occasion to further train the debaters to speak on either side of an issue.

Some of the objectives of the debating program are:

- 1) to find the truth and defend it
- 2) to gain the ability to analyze problems and sift the essential from the trivial
- 3) to develop the individuals' ability to consider problems apart from the prejudices with which one is tempted to view them
- 4) to develop the skill in using logic to support one's assertions

Mr. Vavra, the advisor, was much appreciated for his help and encouragement to the debaters.

Spanish Club

The Spanish Club consists of both the first and second year Spanish classes. One of the purposes of the club is to create a friendly atmosphere among the students and between the student and the teacher.

Another of its purposes is to give the student more background and knowledge of the Spanish-speaking peoples and of the history of the Spanish countries. This year the club is directed by Miss Guerra, a Spanish teacher here on an exchange program. The students have benefited from her and it has been an enjoyable year for all.

Latin Club

The Latin Club is an organization for those students in the first and second year of Latin. The club enjoys a wide variety of activities and functions throughout the entire year. One event, which is greatly looked forward to is the trip to Chicago. At this time the students visit the Museum of Science and Industry and other places of interest. Probably the most looked-forward-to event is the annual Roman Banquet. The traditional dress is of stola and toga is worn and the same foods that the Romans ate is served. At this time the second-year students rule the first-year students. This year the Latin Club was headed by Bob White as Consul and Tina Swetish as Pro-Consul.

Broaden Knowledge of French Customs

Under the supervision of Monsieur Gloss, the French Club has had an active year. The club, which is mainly comprised of third and fourth year French students, has had the opportunity of broadening their knowledge of the French language and customs. For most of the past year, we have been corresponding with a group of students in France. Also, many members have pen pals in France.

Our main project for the year, was to earn enough money to travel to French Canada this summer. In order to do this, we have sponsored many money making projects. A few of these were: bake sales, dances, and selling bows at Christmas time. The club meets every Tuesday after school. The meetings are conducted by the officers who were: President, Janet Funk; Vice-President, Becky Hassan; Secretary, Linda Metzger; and Treasurer, Randy Harker. The club is larger than last years and is comprised of twenty-nine members.

One of the unscheduled events of our club was the unusual snowball fight held in the Centennial Park last winter. It furnished us with a lot of fun and a good airing of the tempers.

Usher Club—Service Organization

The Usher Club, composed of junior and senior girls, is one of the service organizations of the school. The club members offers assistance and direct people to their seats as athletic events, plays, concerts, assemblies, Baccalaureate, Commencement, and chapel programs. In addition the club operates a coat check at basketball games. The proceeds from this and the dance sponsored by the club will buy badly needed uniforms. Serving as officers this year were: Head Usher--Judy McCaslin, President--Betty Lozicki, Vice President--Lee Ann Smith, Secretary--Cathy DeWitt, and

Treasurer--Nancy Schultz. The club was advised again this year by Mr. Lee.

A great deal of appreciation goes to this club for its fine ushers.

Usher Club officers for 1964 and 1965 were; Cathy DeWitt, Secretary; Betty Lozicki, President; Nancy Schultz, treasurer, Mr. Lee, Judy McCaslin, Head Usher; and Lee Ann Smith vice-president.

Interested in Medical Careers

The Paramedic Club is an organization promoting interest in medical and nursing careers and their allied fields. This year we had over twenty-five members. For the first time in the club's history, the ninth graders were included as members and we found them very enthusiastic members at that.

Members of the club assisted at the Oral Sabin Polio Clinics in September and November of last year. Guest speakers were also brought in to speak to the club and some of these included a Social Worker from the Michigan Children's Aid in St. Joseph, Michigan, and the Therapist in charge of all the Therapy Departments at Pawating Hospital, and an X-ray Technician.

Field trips included a trip to Upjohn Laboratories, Bronson Hospital in Kalamazoo and Membrial Hospital in South Bend, where we were guests at an open house. This year the Paramedic Club Pins were partially paid for from funds such as bake sales.

Officers for this year were Virgis Baker, President; Janie Strayer, vice-president; and Barbara Kley, Secretary-treasurer. The school nurse, Mrs. Seager, was a great help and added much to our club.

Variety of Work Done

The Library Club, a service organization, consists of helpers to Mrs. Hiatt, the school librarian. A variety of work is done by these students; shelving, typing, filing, and handling the daily checking in and out of books. This year the Library Club renewed the idea of having officers, and they are as follows: Delores May, president; Kathy Montgomery, vice-president; and Chris Mullen, secretary.

A few of the things that this year's Library Club will be remembered for are: setting up the article file to the Dewy Decimal System and re-organizing the card catalogue. Each student also was allowed to order from four to six books to be placed on the shelves for the school's use. These books will not only be of use in the classrooms but are also enjoyable.

Greening Leads FHA

The Future Homemakers of America is a local, state, and national organization. Our local F.H.A. is an organization made up of girls who have had at least one year of home economics in high school. The F.H.A. members feel that helping to make happy homes, now and in the future, is the most important thing that youth can do for democracy.

Each year an installation dinner is given for the new officers and members of the club. Some of the activities of the year include; popcorn ball sales to raise money and parties, such as a Christmas party. Among the activities in class are the advanced studies of sewing, cooking, and the solving of problems of the home.

Electronics Club

It has been the object of the Electronics Club to recruit young students to fill the vacancies of last year's graduates. The younger students will then have several years to gain the experience needed in learning how to operate the electronical equipment of the school, such as the auditorium lights, the P.A. system in the gym and so forth.

This year we have set a major goal. Members of the club have set up a citizens-ban radio and antenna. The officers have strived for harmony between club members. The friendly relationships have afforded a tremendously successful year.

Develop Agricultural Interest

The FFA is a national organization of boys who are enrolled in vocational agriculture courses at Buchanan High School. The main objectives of the club are to develop leadership, inspire a co-operative attitude, improve citizenship, help assume responsibilities, and develop the agricultural interest of the members. To acquire leadership skill, the FFA members practice and use the forum type of discussion. Democratic procedure and equality of participation are stressed when the group is discussing problems facing the organization.

Some of the contests that the FFA participates in are parliamentary procedures, farm forum, demonstrations, public speaking, and land judging. These contests are held each year and they include all of the local chapters in this area. Co-operation with other groups is also a goal. Again this year the FFA was advised by Mr. May.

F.F.A. officers are: Pete Masten, Vice-President; John Raven, President; Nick Weaver, Sentinel; Rex Polley, Secretary; David Grimmett, Treasurer, and Don Kain, Reporter.

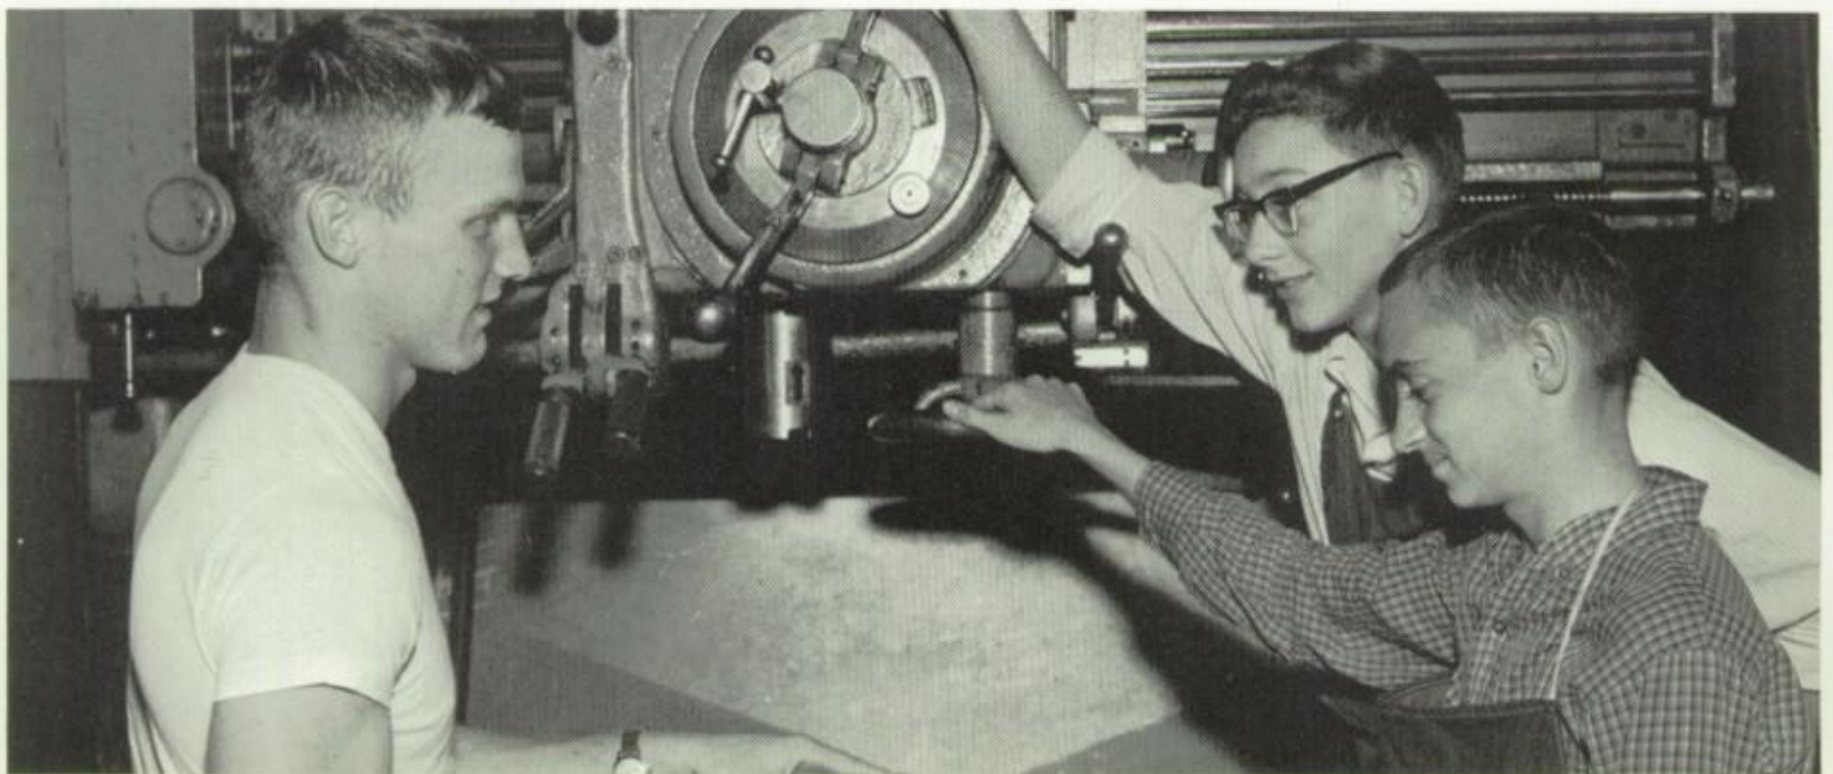

Jerry Smith, Ray Russell and Mike Karus watch the working of a metal shaper.

Trade School

The purpose of Trade School is to prepare the industrial minded students for more extensive study in college, although still an excellent course for the student who intends to go into the industrial world immediately after high school. The course provides Blue print reading, familiarizing with shop machines, and a varied manner of the manufacturing process of different materials and pieces. The course is one of the best in this area.

Dick Zelmer explains to Marvin Pruitt and Larry Ferris the use of large hole drilling in the 4 ft. Radial Drill Press.

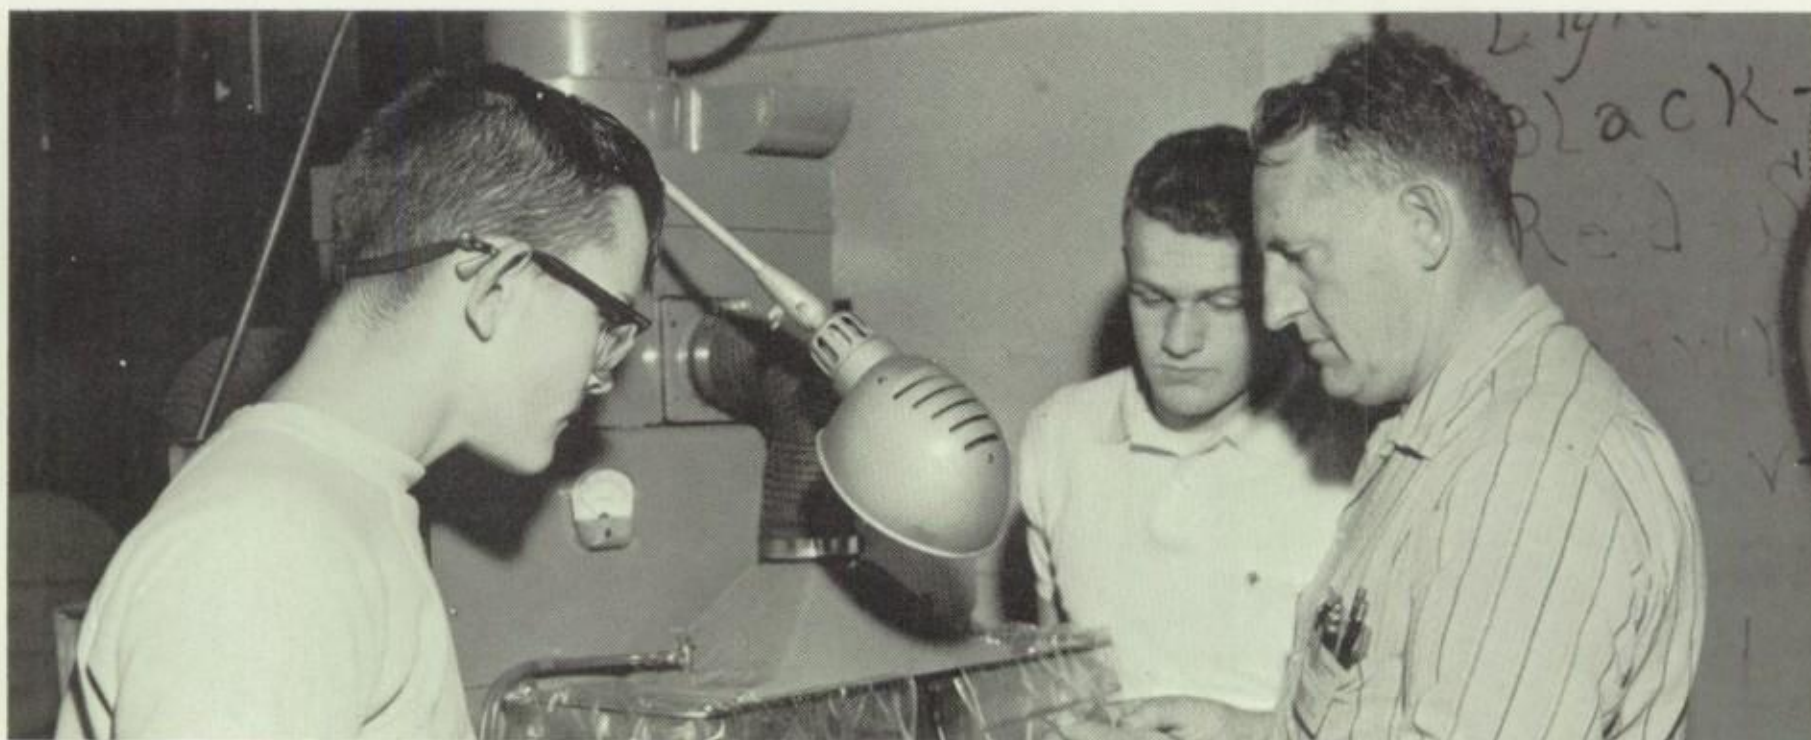

Phil Steere explains the use of the tracer attachment on the engine lathe to Jeff Sisk, Jerry Warren and J. T. Williams.

Tom Hammond explains to Bill Mills and Mike Gooch the roughing operations of a mill arbor on the Engine Lathe.

Jerry Scroggins is operating the tool and cutter grinder which is so necessary in keeping tools properly sharpened. Steve Quick and Lynn Tilly watch.

Mr. Runkewich demonstrates the use of the electrolytic Grinder, which is a new process of grinding carbide tipped tools. The material is next in hardness to a diamond. Gary Burgoyne and Dave Shoemake watch.

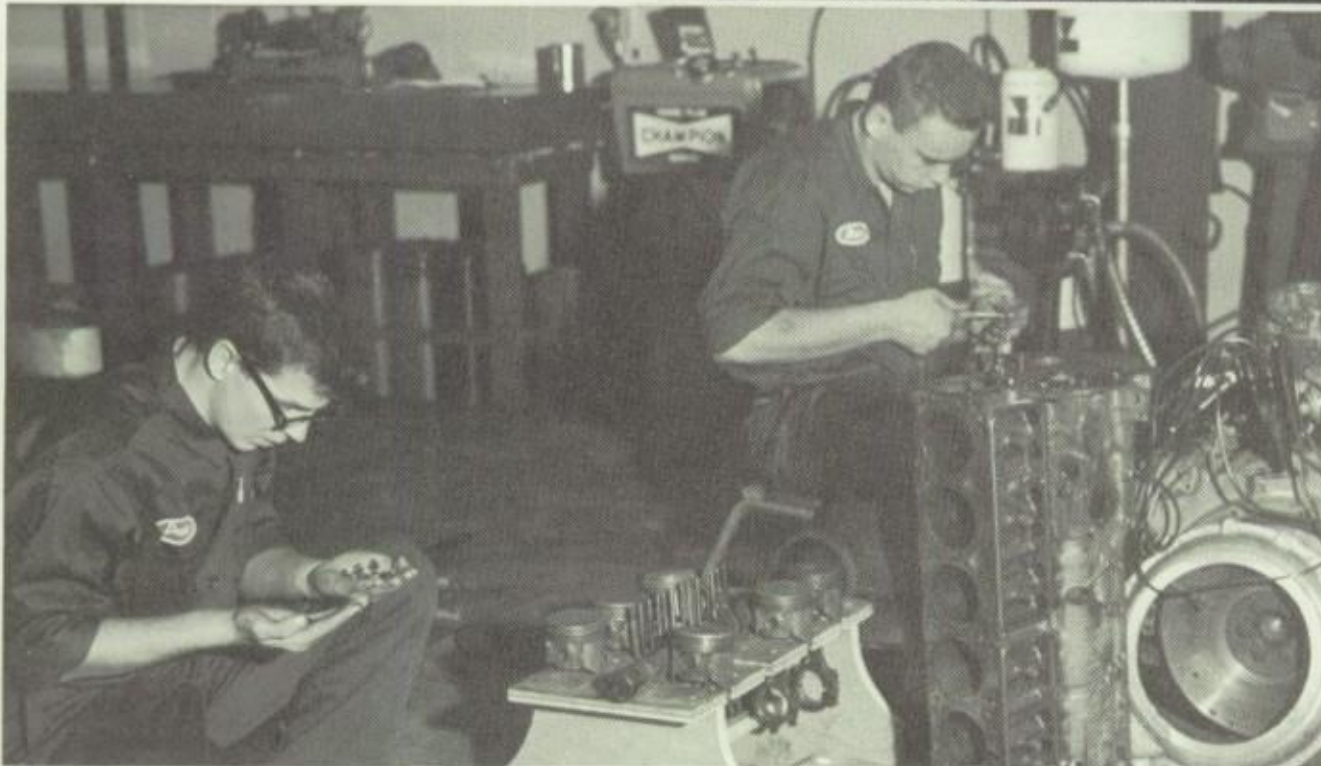

New Trade School—Auto Mechanics

Rick Walkden and Holie Taylor are turning down a brake drum on a Brake Drum Lathe.

The Auto Mechanics Trade School is new to Buchanan High School this year. This program is available to students who successfully complete the first year of Auto Mechanics, which is a one hour class, and who show a definite interest and aptitude to go on in this field. It consists of complete engine rebuilding, tune-up, power train work and other related automotive work experiences. This trade school is also one of the finest in the state of Michigan.

Don Padgett and Jack Craig are using an ignition scope to test a 1964 Ford engine.

David George and David Grimm are reassembling an overhauled engine.

John Soucek and Jim Steere are removing the oil pan to facilitate connecting rod removal. Fred Deeds is looking on.

Mr. Johnson is explaining the engine tune-up tests using a 1963 Chevrolet engine unit.

Girls' Athletic Association

The Girl's Athletic Association is available to girls in grades 9-12. Under the direction of the gym teacher, Miss Enders, the girls try to fulfill the organization's purpose, which is to promote better understanding between each other, and to interest girls in athletics.

Membership in the club is obtainable by earning fifty points in any of two sports, participating in four outside activities, and going through initiation during the first year of membership.

The girls meet every Tuesday and Thursday after school to take part in such sports as basketball, tennis, volleyball, bowling, and softball. The girls finance the organization by selling refreshments at the games, and by sponsoring a dance after one of the games. This year's officers were, President, Sally Samson; Vice-president, Darlene Oxender; Sec. Sandy Graves; and Treasurer, Kathy Huling.

Pep Club Is Active

The Pep Club was founded to stimulate school spirit among the students. The Club's main functions consist of forming an active cheering section for the sporting events, making posters to publicize the games, backing the teams, welcoming guest teams, doing skits during the Pep Assemblies, and in general trying to promote better sportsmanship and school spirit.

Students from the seventh grade through twelfth grade were cordially invited to attend meetings and belong to the club and participate in the Club's activities. The only qualification for the members was that they be enthusiastic and sincere in their effort to create better inter-school relationships.

Many a variety of fund-raising activities were scheduled by the club; bake sales, the sponsoring of dances, and the selling of pom poms, just to name a few. The money raised through these activities went toward the buying of Pep Club pins, cheering equipment, and the buying of a page in the PINES.

As in the past, the Pep Club's support at the games and other activities, was greatly appreciated by the cheerleaders, who serve as the advisors, and the teams. The enthusiasm of the Pep Club often influenced the final score of the games and the effort put forth by the teams.

Four Principles Promoted

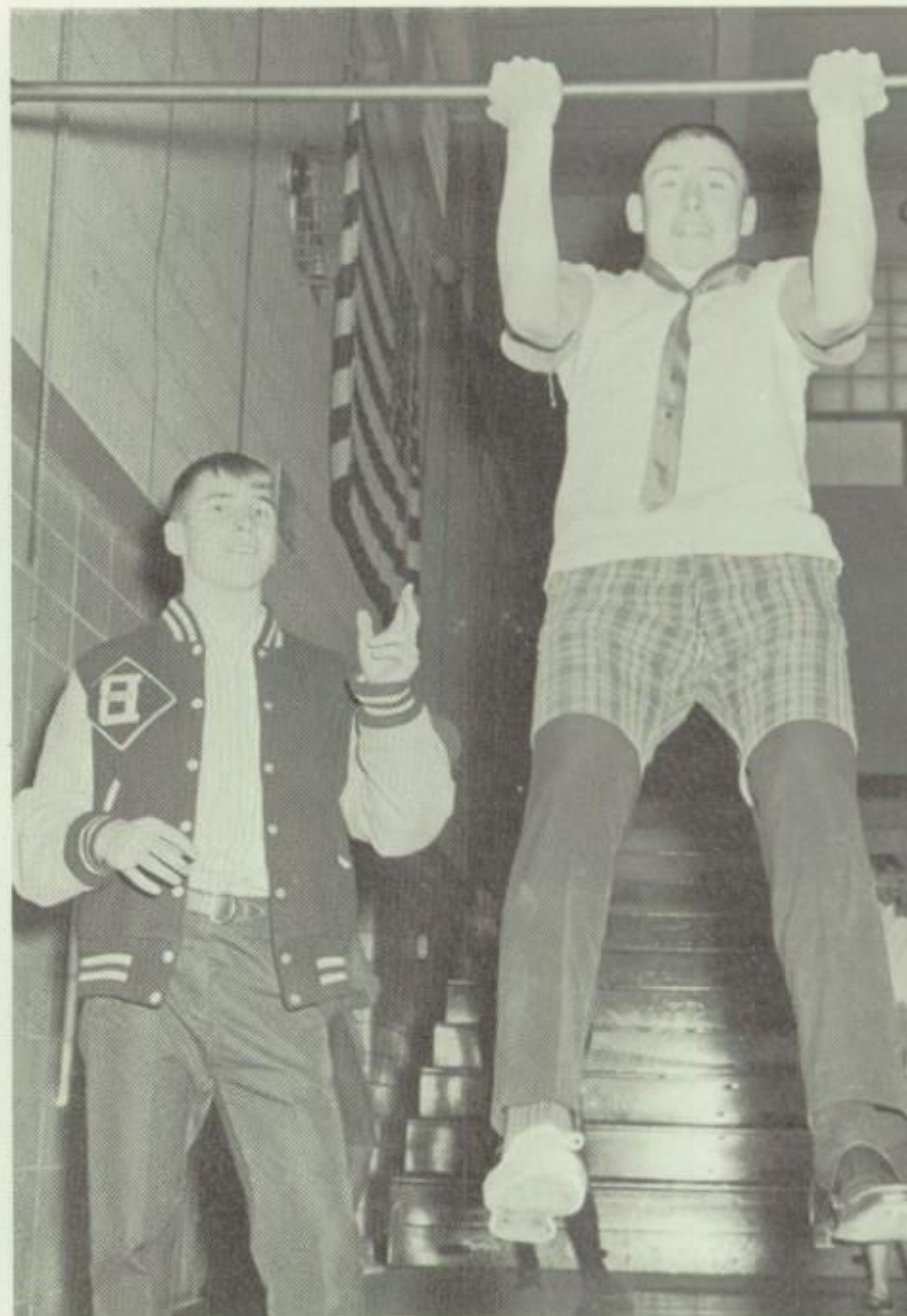

The "B" Club is an organization consisting of athletes who have earned annually a varsity letter in some phase of athletics. The members work during the year doing many things in and around school. The money made through the sale of ice cream bars at basketball games and the sale of programs at the games is used toward sending the seniors of the club on a trip at the end of the year.

Initiations for the purpose of allowing new members to enter the club, are held in the fall and spring, after each sports award assembly. This initiation is looked forward to by all who are already members as they make the new members shine shoes, carry books, and perform other menial tasks. The initiation is concluded by "Hell Night," which is the formal initiation night.

The "B" Club stands for four principles; citizenship, scholarship, leadership, and sportsmanship. The "B" Club promotes sportsmanship among the students who watch the athletic events, as well as those who compete in them; leadership of its members on and off the athletic field of competition; scholarship of its members by awarding the "B" Club Award to the outstanding member of the organization; and citizenship by taking an active part in the classroom in a business-like attitude, with good work habits.

"B" Club Officers: top to bottom: Pres.--Dave Shoemake, Vice-Pres.--Dick Zelmer, Sec.--Chuck Rumsey, Treas.--Jim Stelter.

How does it feel to be a worm, Gregg? Was initiation worth it all?

Varsity

Our Buchanan High School Band, under the direction of Russell Reed, has had a typically active year. Composed of 90 members, the marching band prepared half-time shows every two weeks last fall. Our marching band attended S.W.M.B.O.A. Marching Festival held in St. Joseph. Maintaining a I rating as it has for the past several years, the band received such comments as "best band tonight." Swinging into concert season in the middle of November, the band prepared for such events as the Mid-Winter Concert and District Festivals. This year for the first time, our band was privileged to have a student teacher, Peter Demos, assisting the group. A Michigan State student, Mr. Demos graduated at the completion of his student teaching and received

Junior Band

The Jr. Band Majorettes were, Wendi Conn, Judy Dokey and Linda Topash.

This year the Junior Band consisted of ninety-eight members. During the half-time performances of the Berrin Springs-Buchanan football game, they presented a show entitled Hi-Fi Fun.

After marching season was over, the band because of its large size divided into two bands, the Junior Band and the Intermediate Band. Mr. Barry Osborn, a graduate of the University of Michigan, is the director of the Junior Band.

Together, the Varsity and Junior Varsity Bands sponsored an auction to raise money for the Band Boosters Club. This year the Varsity and Junior Varsity Bands had the honor of being the hosts of the annual Solo Ensemble Festival.

Junior Band Is Divided

The Intermediate Band, consisting mainly of seventh graders, is a training program for the Junior Band. Because of the large number of students who try out for band, it was decided to divide the Junior Band and have this preparatory band. They work to prepare concerts for the Mid-winter and Spring Concerts. They also prepare a football show with the Junior Band at the beginning of the year. They also march with the Junior Band in the Memorial Day Parade. Mr. Reed is this Band's director and so far the division has worked out fine!

Glee Club

Scheduling members into the school's only performing singing organization has been a real problem this year, as the size of the group indicates. It has been unfortunate that so many who wanted to join could not be scheduled because of class conflicts. The group helps to provide the musical portions for the school's various Chapel assemblies. In addition it is called on by community organizations and service clubs to provide choral music as part of these organization's programs. Spring time the group is featured in a recital. Both ceremonies (Baccalaureate and commencement) honoring the seniors at the year's end see the Glee Club in performance.

Anticipating some type of school-wide musical production next year, various members of the Glee Club will undoubtedly find themselves in star roles.

Only two problems have to be licked before any projected production can be a reality:

- 1) A much much larger and more mature sounding Glee Club,
- 2) Willingness on the part of faculty and students on a school-wide basis to a lively help in producing the show.

So singers Make next year, THE YEAR!!!

Orchestra

The orchestra, composed of approximately forty students, ranging from seventh graders to twelfth graders, meet in full only twice a week, while the strings meet all five days. Conducted by Mr. Reed, our orchestra plays for many occasions including the Junior play, the Senior play, Honor Convocations, Commencement and Baccalaureate. For the first time, last year the orchestra went to the District Orchestra Festival which was held in Edwardsburg. There it received a II rating, meaning a good performance.

Though it is still a very young group, our orchestra is progressing further every year towards being a high caliber musical organization; and last fall the orchestra was privileged to have Mr. Peter Demos, a student teacher, assisting the group. Mr. Reed is the orchestra's conductor and they are progressing greatly.

The main purpose of the orchestra is to promote the finer points of music by using an instrumentation of strings and also the conventional instruments. By striving to produce their main purpose, the orchestra members widened their knowledge of the finer arts, and also had an enjoyable time while doing so.

The orchestra of Buchanan High School is very much appreciated by the complete student body and the faculty for their fine contribution to the betterment of the school.

"Thunder on Sycamore Street"

The Class of '66 presented the drama, THUNDER ON SYCAMORE STREET, by Reginald Rose.

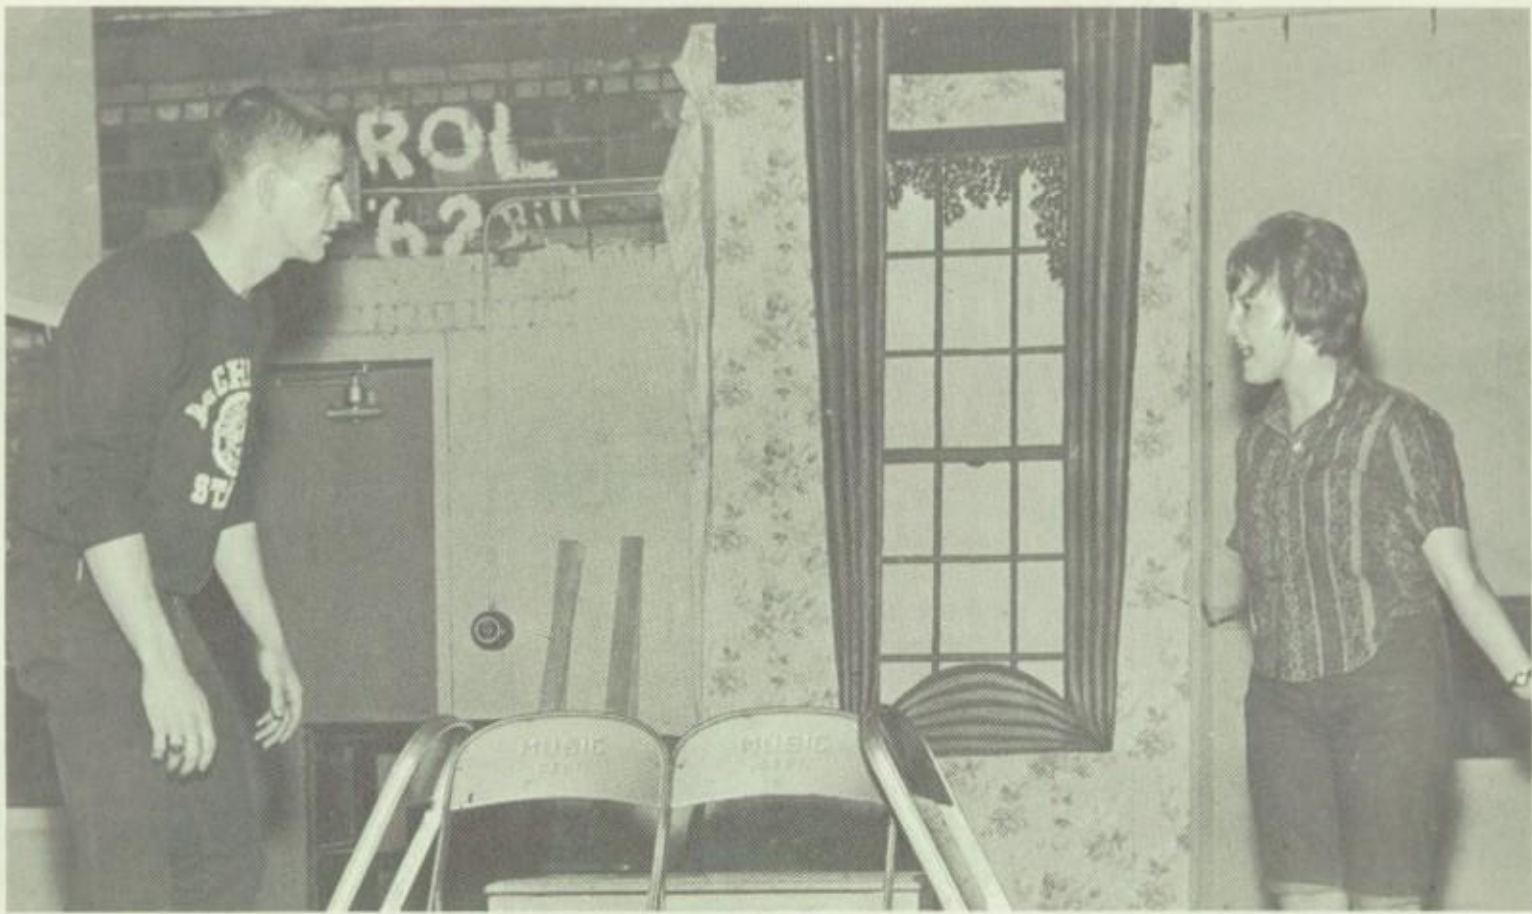

The play concerns an ex-convict, Mr. Blake (Rick Luke) and his family (Barb Kley and Beverly Houseworth). When Mr. Blake tries to move his family into a well-established section of Sycamore Street, the good neighbors take it upon themselves to do something about it. Most of the action though involves the neighboring

families: The Hayes (Rich Ketch, Cindy Cooper and Pam Prater), the Dentons (Paul Sullivan and Cheryl Bulhand), the Morrisons (Darlene Oxender and Dave Hagey) and the McAllesters (Daqueri Pulliam).

The play was directed by Mr. Hulicki, who was assisted by Geri Pearson, the Student Director.

The Hayes family at a rehearsal: Cindy Cooper, Pam Prater and Richy Ketch.

"Onions in the Stew"

"Where hearts were high, and fortunes low, and onions in the stew" is the nostalgic quotation which formed the basis for the 1964 Senior Play, "Onions in the Stew." This play, under the direction of Mr. Hulecki, was presented as the result of an all-class effort. Almost all the Senior class was, in some measure, responsible for its success.

Betty MacDonald's three-act comedy centered around the difficulties encountered by the MacDonald family when they move to an island home. Carol Barnes, Gary Alderich, Pat Houseworth, and Kaye Bicard portrayed the MacDonald family. "Onions in the Stew" had the largest cast, cost the most money, and required the longest rehearsal period of any school play within memory.

Mardi Gras 1964

"Mardi Gras" was the theme for the 1964 Junior-Senior prom presented by the class of 1965. As the theme implies, it was a gay festive occasion with the guests arriving through the mouth of a clown. The interior was gayly decorated with a mass of color, including a fourteen foot dragon. The main highlight of course, was the crowning of the Royalty to reign over the Mardi Gras; King--Don McNeely, Queen--Mary Jo Lister, Prince--Jerry Flenar, and Princess--Lee Ann Smith. The climax of the evening was the Grande Marche led by the Royalty and the Co-chairmen; Vichie Schneider and Lee Ann Smith with their escorts. Following the march, just as the lights again dimmed and the orchestra began to play, two thousand balloons floated to the floor as a beautiful ending to a wonderful evening!

Cheerleaders Strive to Promote School Spirit

In the spring of each school year Varsity, Reserve, and Freshman Cheerleaders are chosen to shoulder the great responsibility of promoting school spirit. Along with promoting school spirit, the Cheerleaders develop a good sense of sportsmanship among the students and strive to develop better relationships between schools during all athletic events. These girls learn how to keep the students full of spirit and provide, through cheers, an exit for the energy behind school spirit. Besides cheering at the games, the Cheerleaders are in charge of the pep club, pep meetings, and other general activities to promote spirit for the athletic events. They serve as the leaders for those who do not participate within the contest itself, but who wish to contribute their part in supporting the teams.

While cheering their team on to victory, these girls gain valuable experience and have lots of fun doing so.

Bucks Have Perfect Season

The Bucks of 1964 combined a superlative defense with a brilliant offense to come up with a perfect 9-0 record. And the Bucks again walked away with the Blossomland Conference.

The offense of the Bucks, which rolled up a record of 300 points, was led by Southwestern Michigans leading scorer, Dave Shoemake, who alone scored 102 points. Teaming up with Shoemake in the backfield were halfback Jerry Withers, fullback Jim Cronin, and quarterback Gary Armstrong.

The Bucks defense did not allow a touchdown until the sixth game of the season, when Coloma scored six points.

The Bucks were hit hard by graduation especially in the line where the whole first unit was lost. If coaches Bill Karpinski and Tom Severs can come up with a suitable replacement for these men however, the Bucks will have another good season in store for them.

HOMECOMING COURT TOP ROW: Susan Haedtler, Carol Snelson. BOTTOM ROW: Lee Ann Smith, Evelyn Coffel.

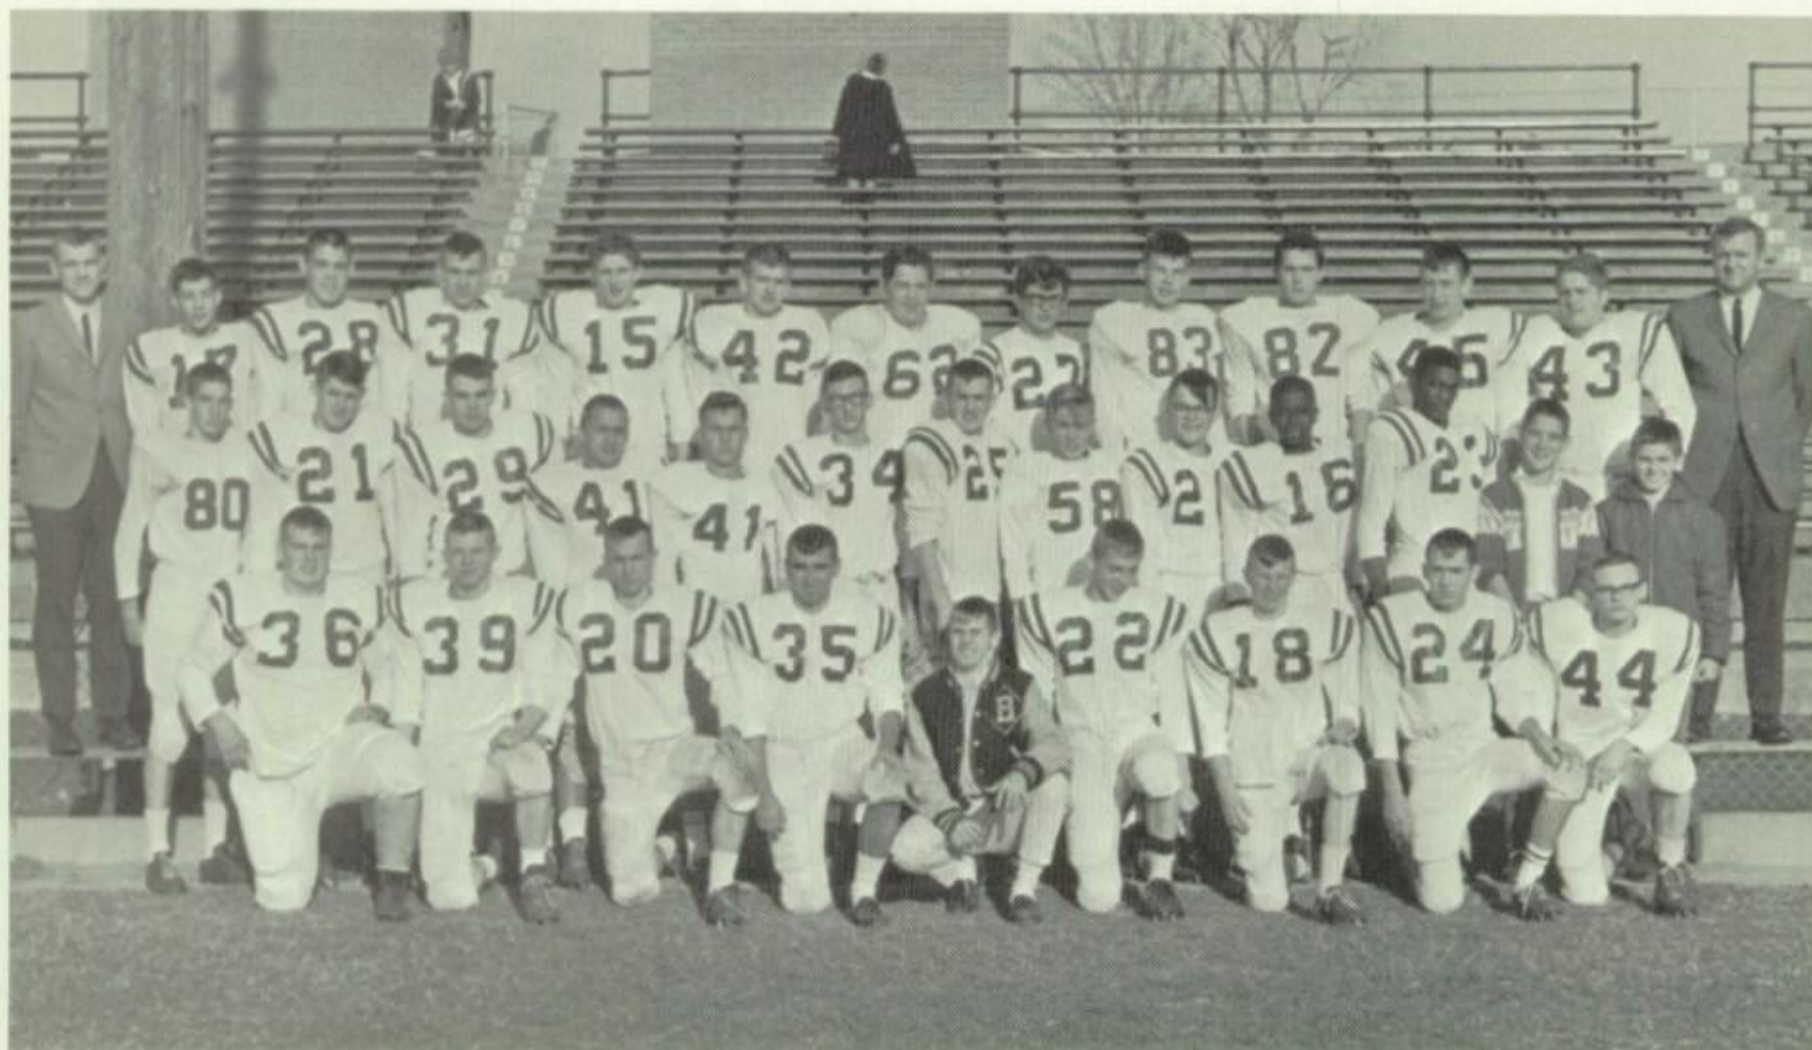

Queen Vickie and Court

One of the highlights of the football season is the Homecoming festivities with the crowning of the "Fairest of all." Each year this is presented by the "PINES" staff and the Student Council. This year out of a field of seventeen contestants, Miss Vickie Schneider was chosen by a popular vote by the students of Buchanan High School. Her Royal Court consisted of: First Runner-up, Lee Ann Smith; Second Runner-up, Carol Snelson; Third Runner-up, Evelyn Coffel; and Fourth Runner-up Susan Haedtler.

Last year's queen, Susan Frame, had the pleasure of crowning Queen Vickie. After the crowning the new queen was escorted off the field by the tri-captains Dave Shoemake, Dick Zelmer and Jack Noldon.

After the game a dance was given in honor of the Queen and her court, with music by the "Empressions."

Even Season for Junior Bucks

The Buchanan Junior Varsity Football Team of 1964 was composed of 34 boys and was coached by Mr. Ray Berry and Mr. Dick Proud. The team finished the season with an even record of four wins and four losses.

The future Bucks were led in the offensive department by quarterback Larry Money with six touchdowns and hard-charging fullback Wayne Beaverson.

Despite their lack-luster record the young Bucks contained many boys who will see much varsity action in coming years.

Freshmen End with One Loss

Buchanan's Freshman Football team coached by Mr. Donald Rennhack and Mr. James Converse enjoyed a highly successful Season finishing with a 3-1 record. Their only loss came at the hands of Niles by a score of 6-0. They avenged this loss later in the season as they played Niles again and downed the Vikings with a score of 7-6.

Because of their abbreviated schedule several members of the team were removed up to the Jayvee team for the tail end of the season. They gained much experience while competing in two games.

The experience gained by all of the players will undoubtedly prove of great fortune for their future careers in football. Also their great knowledge of fine sportsmanship that they gained will prove of further importance.

The football players of the freshman team will be of great importance in the following years for the filling of vacant spots in all areas of football.

VARSITY WRESTLING TEAM: STANDING, l-r, mgr. B. Mills, M. Baker, S. Couchman, L. Elliott, T. Best, M. Metzger, J. Flenar, mgr. L. Ferris, KNEELING: R. Spaulding, M. Kraus, L. Money, D. Zelmer, T. Handley, D. Magro, Mr. Karpinski, coach.

Grapplers Take Blossomland Crown

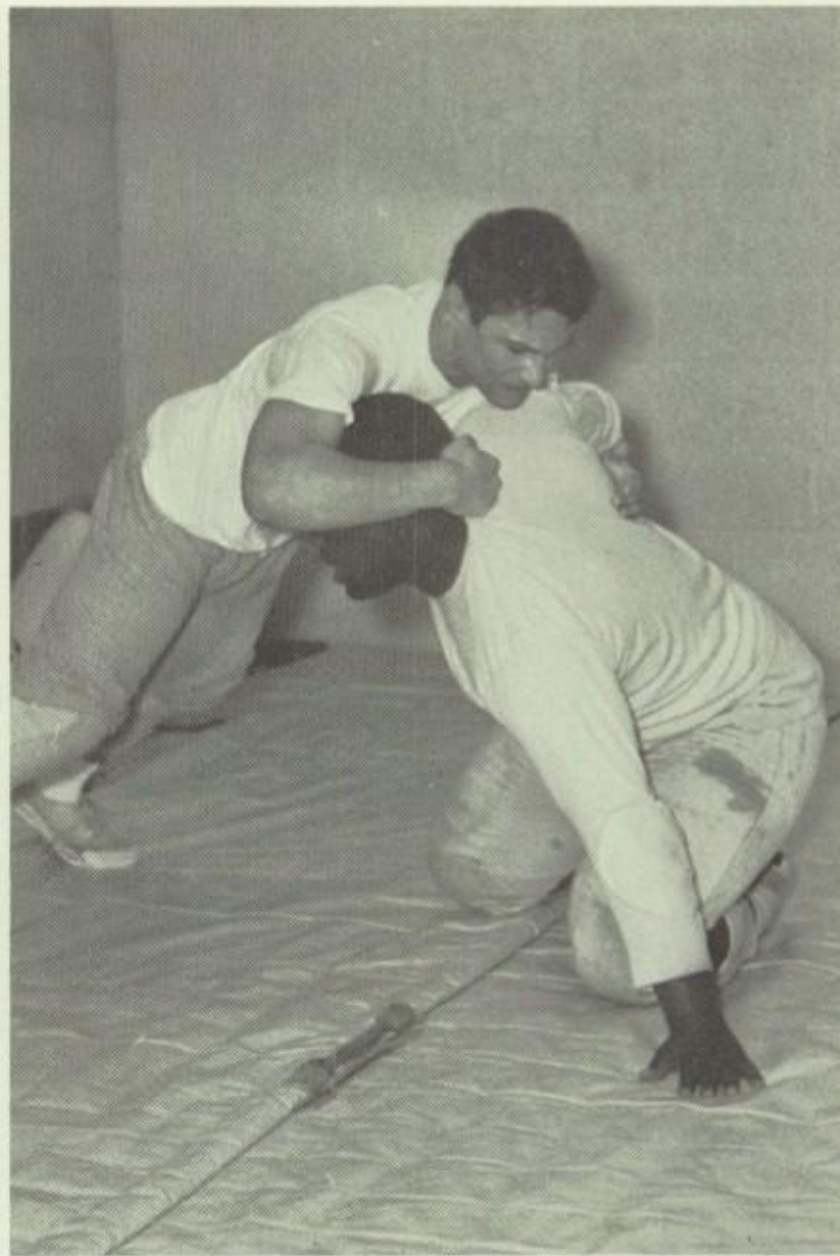

Buchanan's grapplers took the Blossomland Conference crown for the third straight year and qualified five for the state wrestling meet. Add to this one state championship, a winning season, and great spirit and you have the ingredients for another fine season.

At the Conference match the Bucks beat Brandywine 119-110 to take the trophy. At regionals the Bucks as a team finished second and qualified five for state; 95# Rich Spaulding, 154# Tom Best, 127# Terry Handley, 165# Larry Elliott, and Hvy. Mack Baker.

Mack Baker brought home the honors as he became the second Buck to win a state crown. Baker won four straight matches to win the state crown. Of the five who went to state none were seniors, indicating a bright future for the wrestling team of next year.

CONFERENCE CHAMPS

J.V. Wrestlers

Jayvee wrestlers: STANDING, l-r, P. Sullivan, T. Meldrim, B. Luke, T. Peirce, C. Hubbard, B. Hoven, D. Handley, W. Beaverson, G. Thurston, C. Elliot, R. Coffel, S. Banke. KNEELING , M. Schrock, B. Money, L. Howe, D. Kline, B. Thurston, D. Snook, Mr. Karpinski, coach.

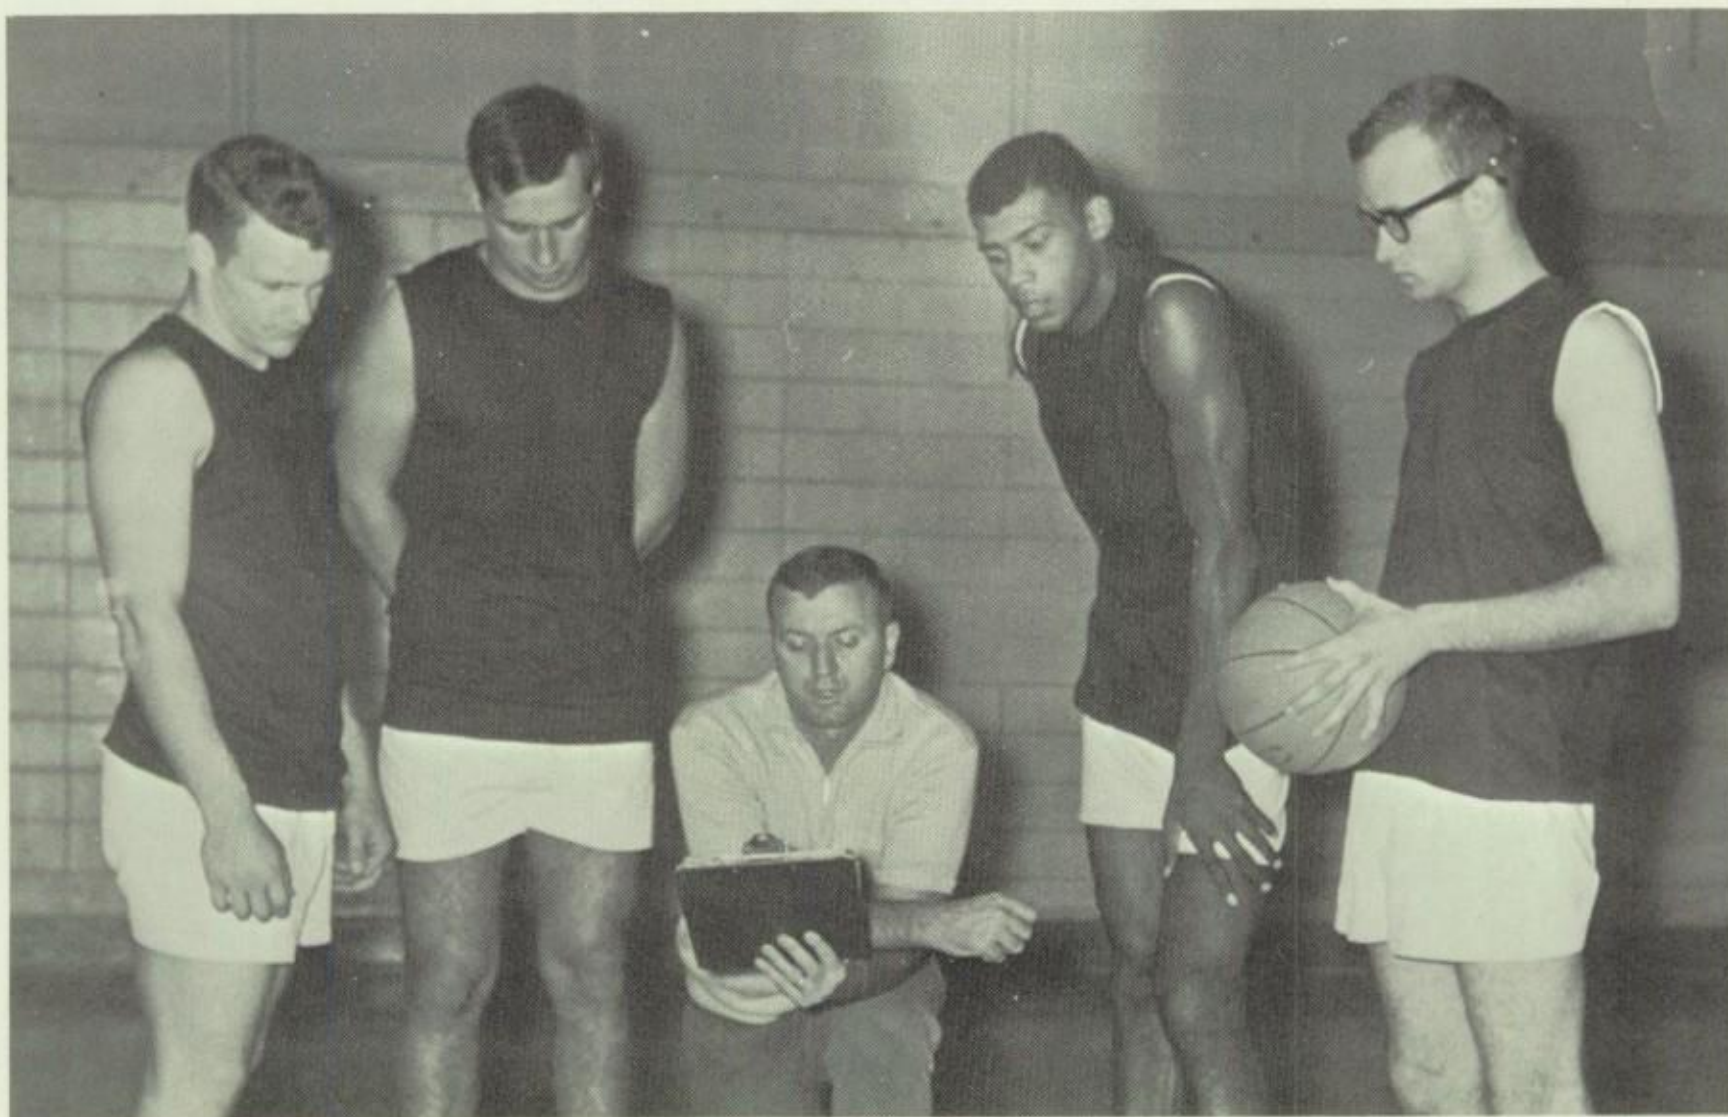

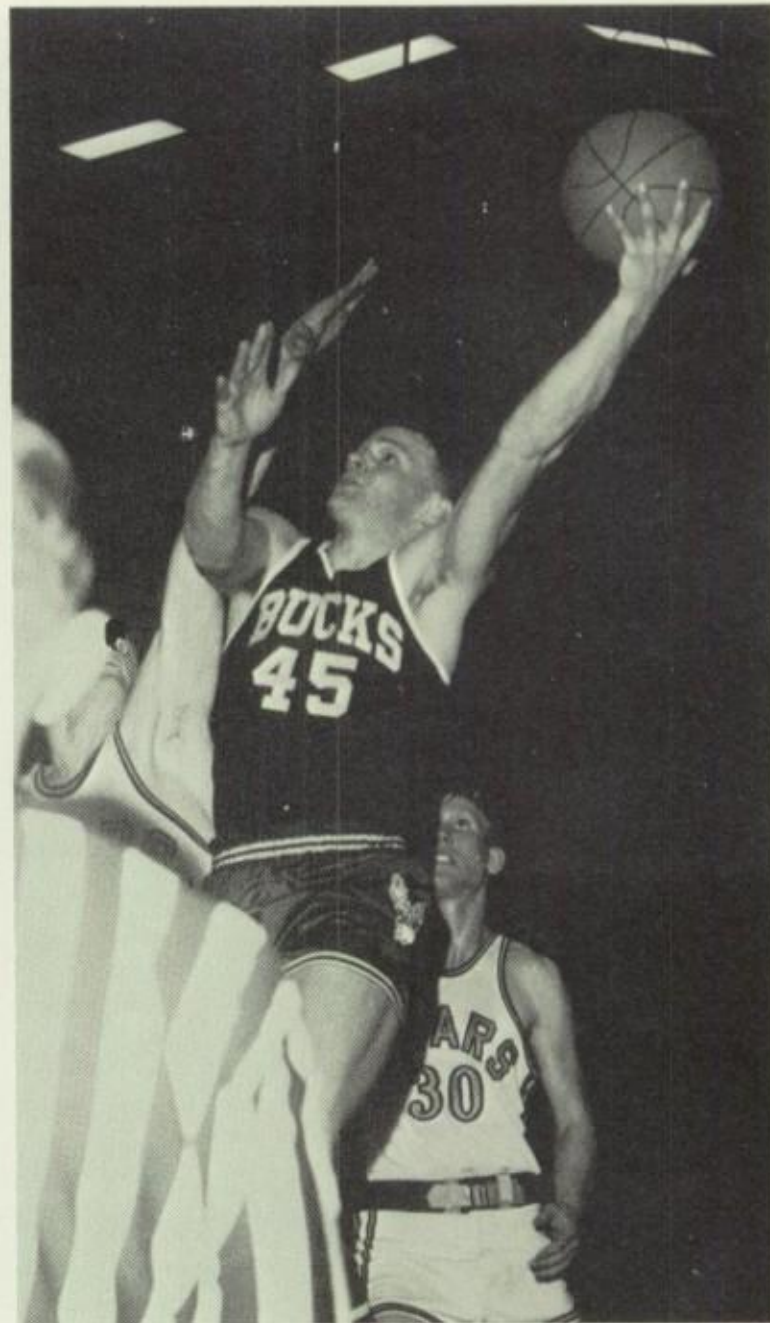

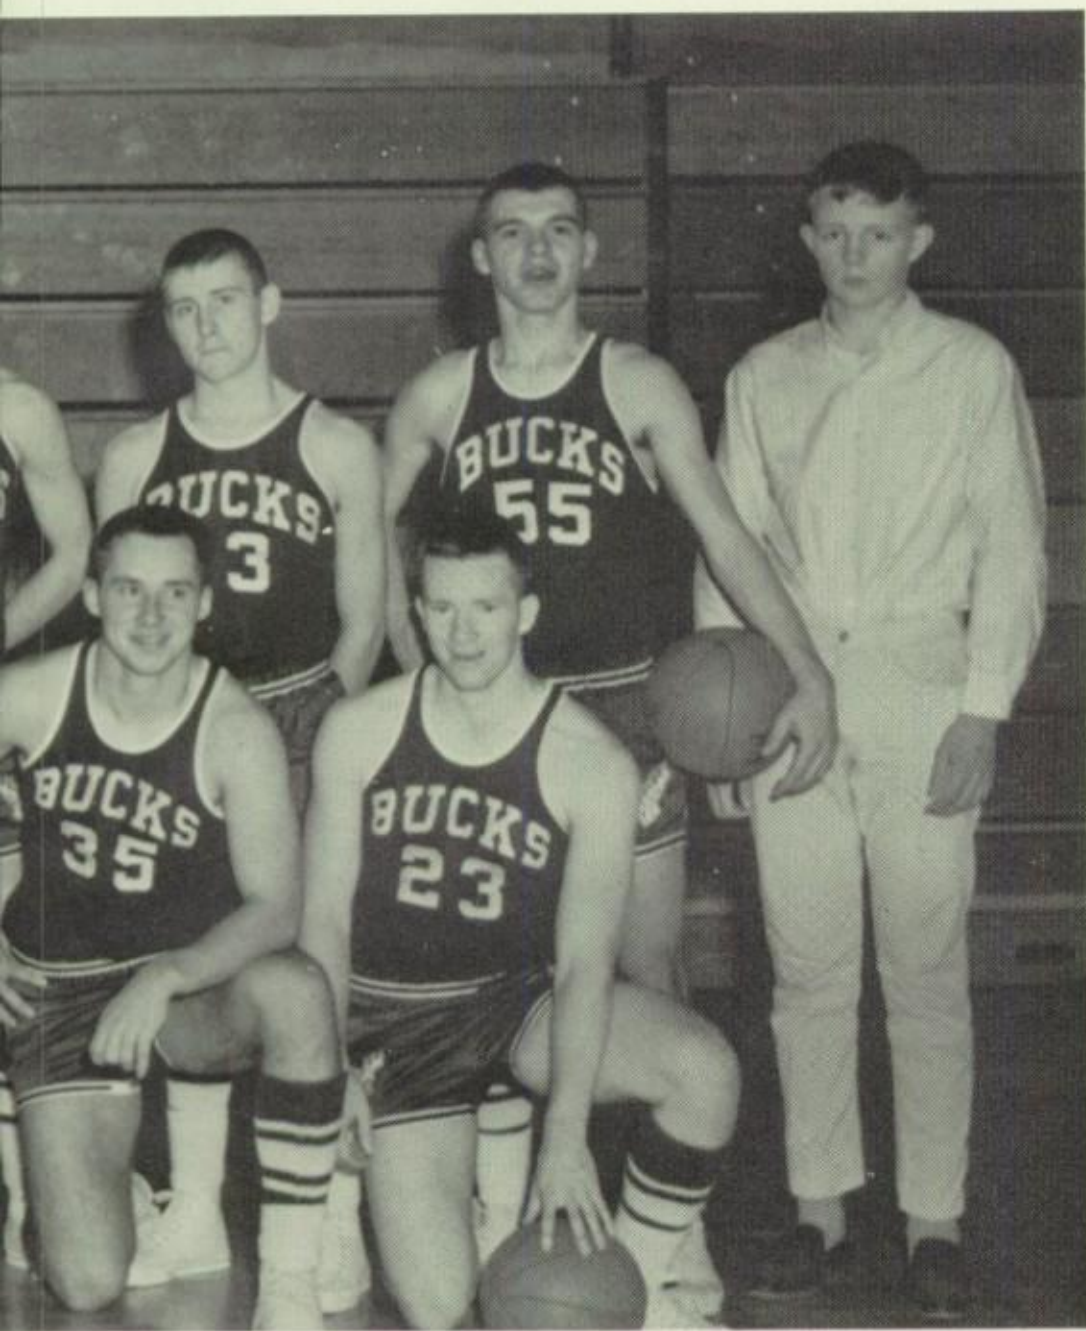

VARSITY BASKETBALL: STANDING, l-r; Mr. Berry, coach; M. Parker, R. Russel, G. Pelkey, J. Stelter, P. Churchill, G. Miller, L. Eichler, R. Marrow, manager. KNEELING, D. Best, D. Rauch, D. Shoemake, J. Nolden, C. Rumsey, J. Withers.

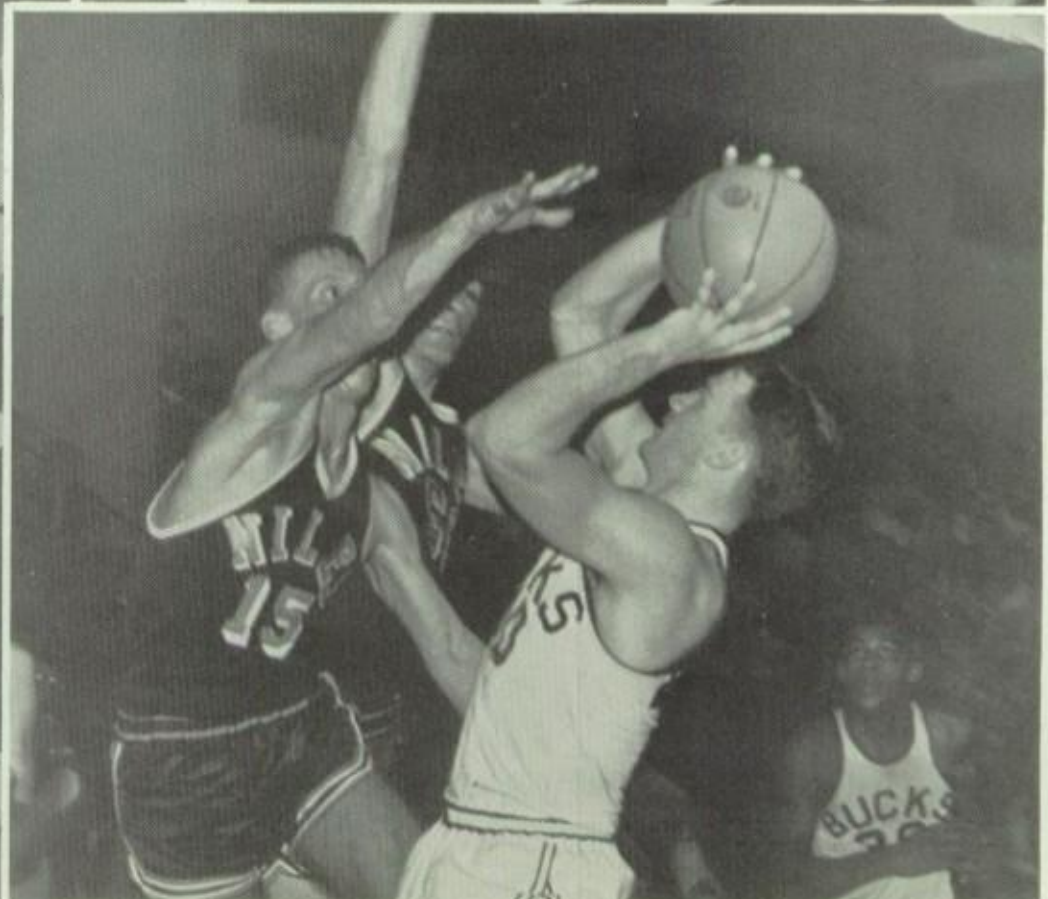

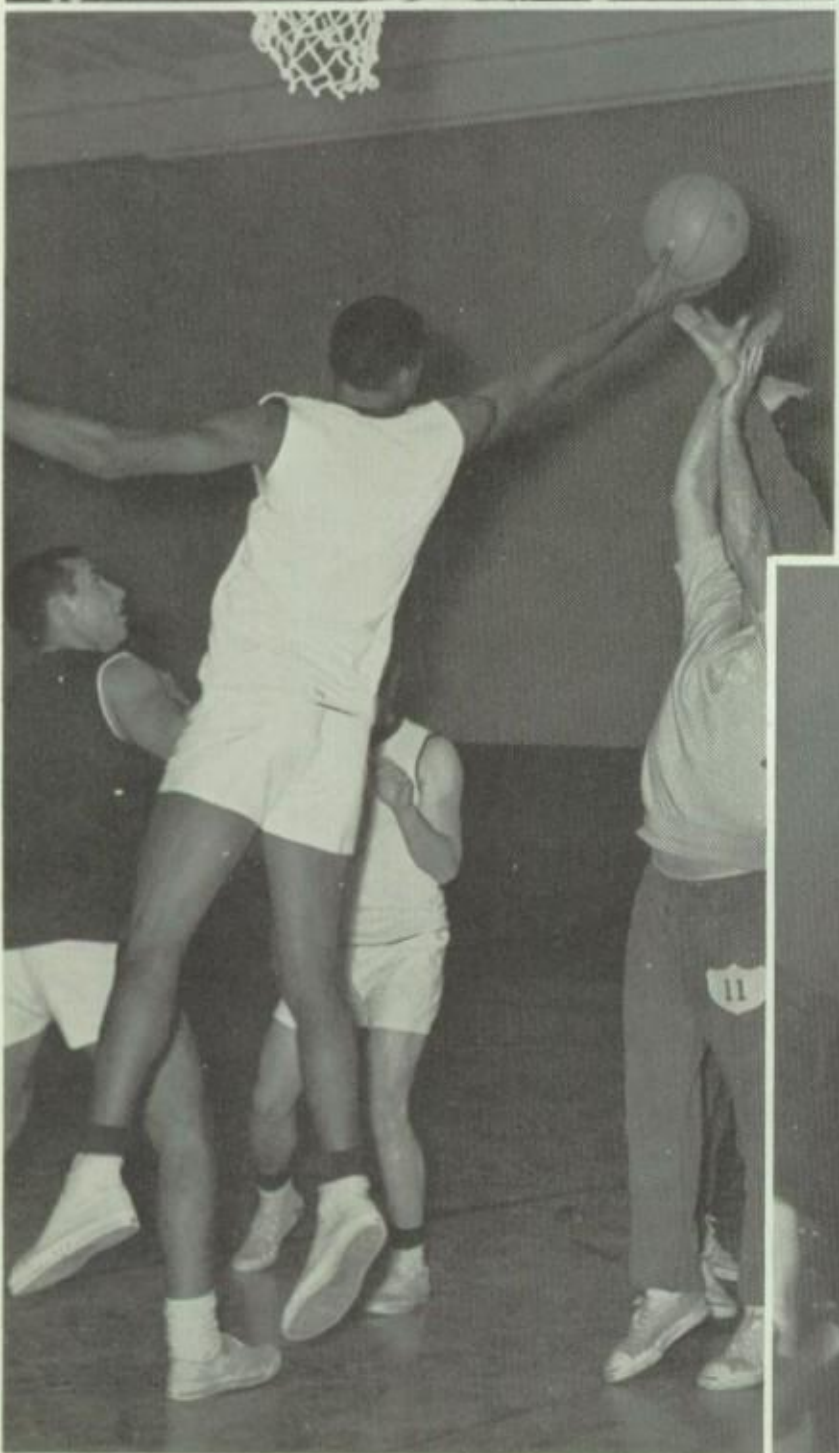

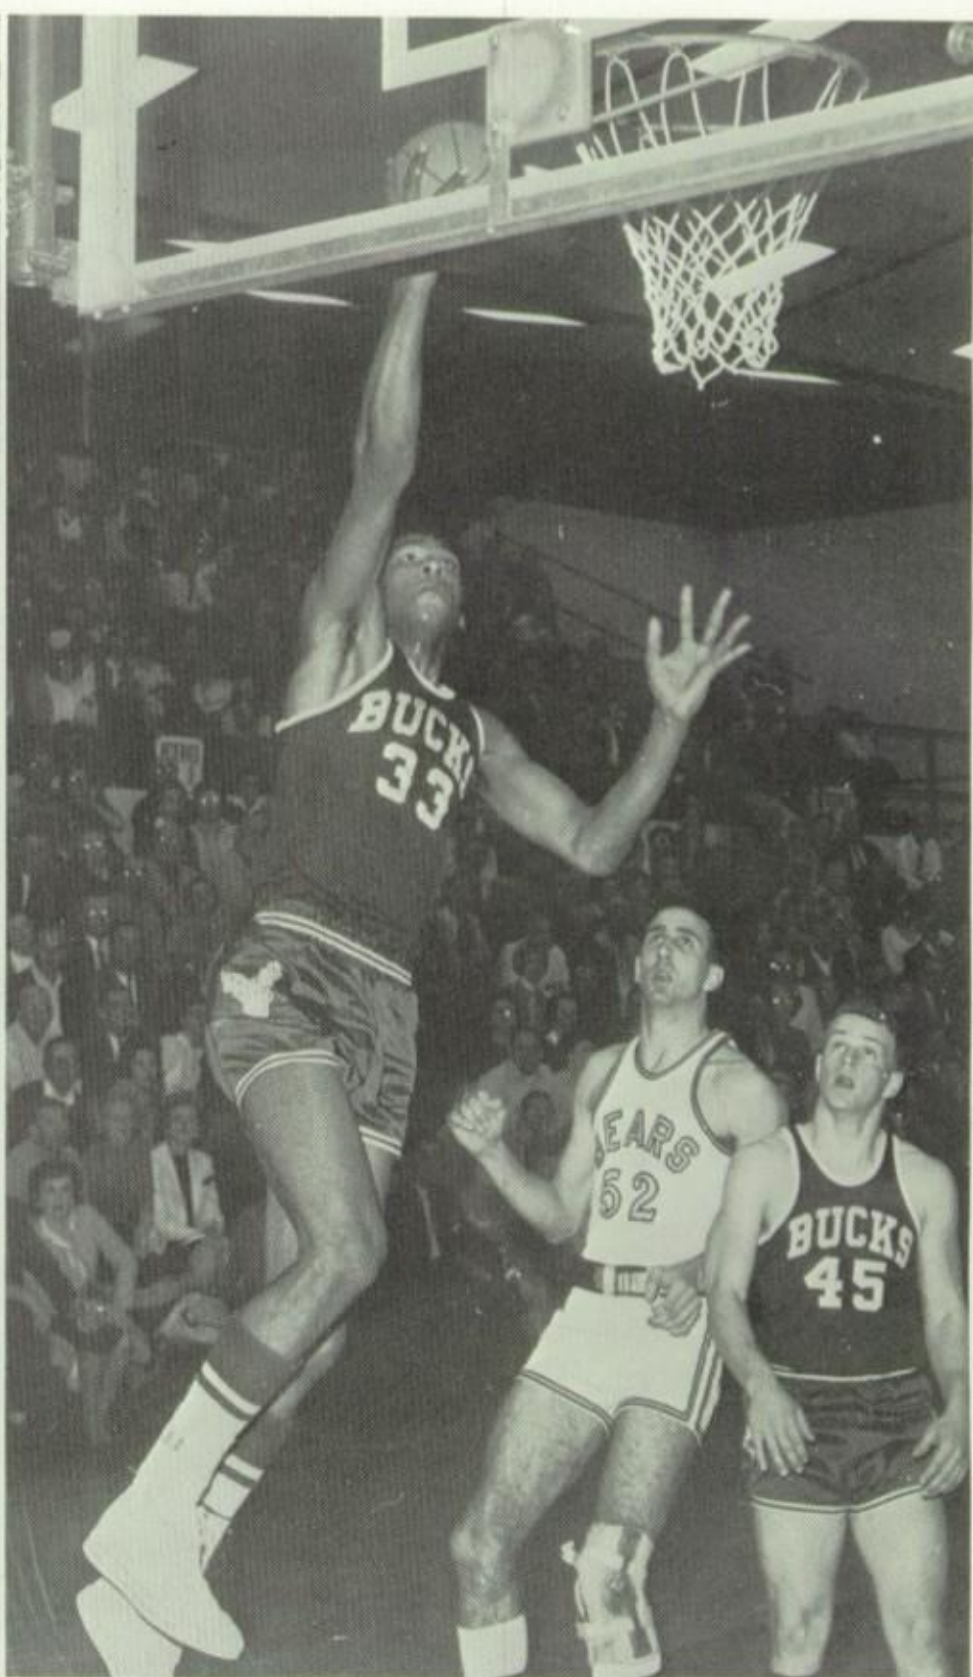

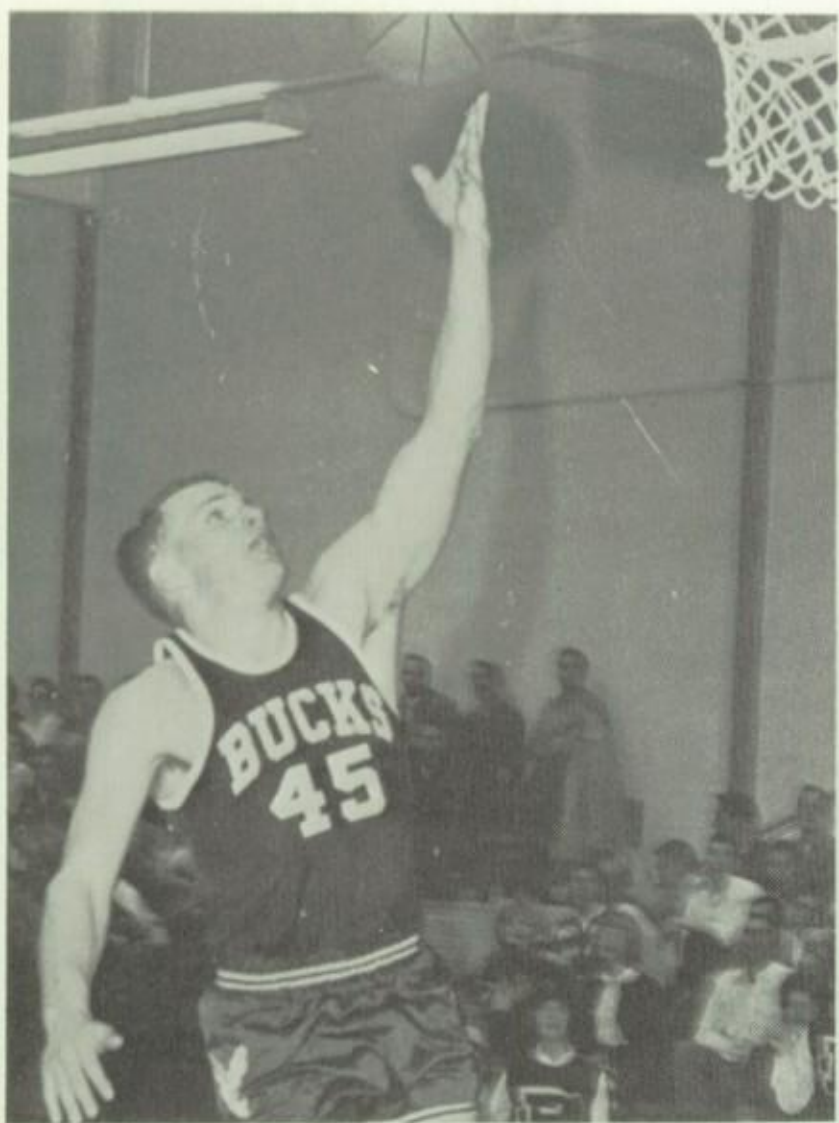

Varsity Experienced Ups and Downs

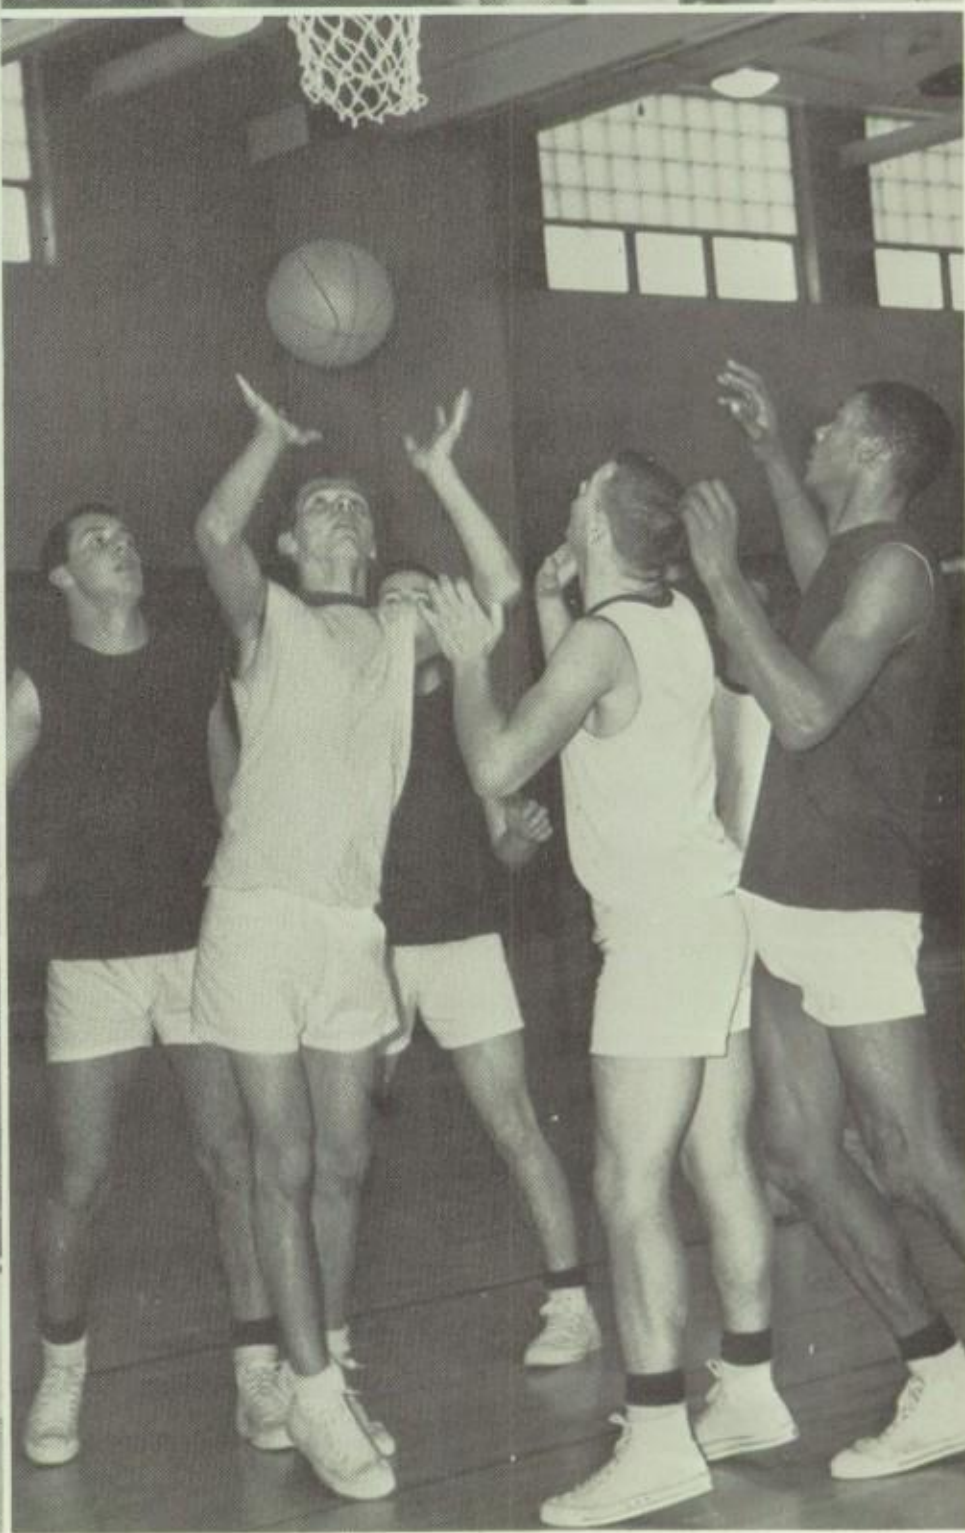

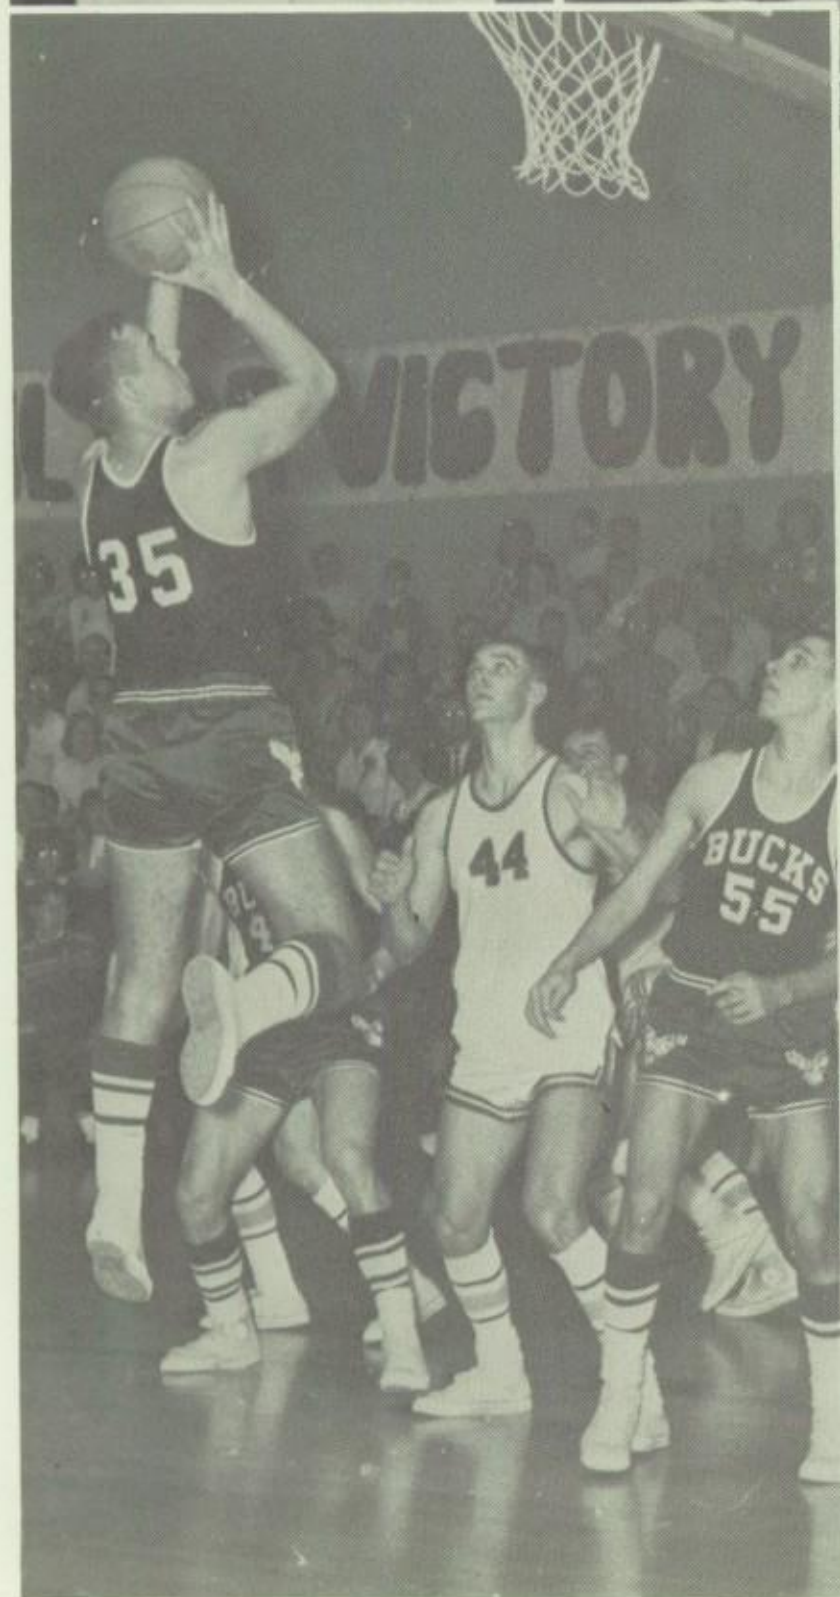

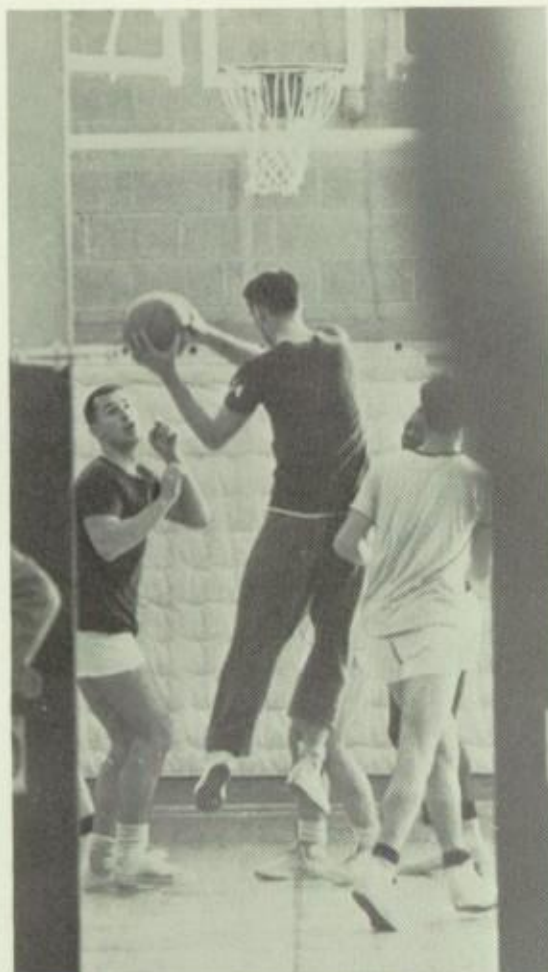

The Varsity Basketball team experienced a season of ups and downs. Including tournament games, the team's record was 7-12. David Shoemake paced the Bucks in scoring with an average of 19.7 points per game. Jack Noldon and Dick Best also averaged in double figures with 11.5 and 10.8 points respectively. Noldon also led the team with 233 rebounds.

As a team the Bucks scored 1319 points, an average of 19.4 points per game. As a team they pulled down 739 rebounds during the season. The statistics do not tell the whole story. On any given night the Bucks could beat any team. They proved this when they set a new school record in scoring with the score of 100 points against the Coloma squad. They also proved it in the tournaments when they downed a rough Dowagiac team after two previous defeats by them. The Bucks will lose four of their starters; All-Conference David Shoemake, Jack Noldon, Chuck Rumsey, and Dick Rauch. Next year's team will be built around Dick Best, the only returning regular. With the rest of this year's returning letter winners plus some help from the Jayvee team the Bucks should have a good season next year.

RETURNING LETTERMEN: D. Shoemake, C. Rumsey, Mr. Berry, J. Nolden, M. Parker.

J.V. Basketball

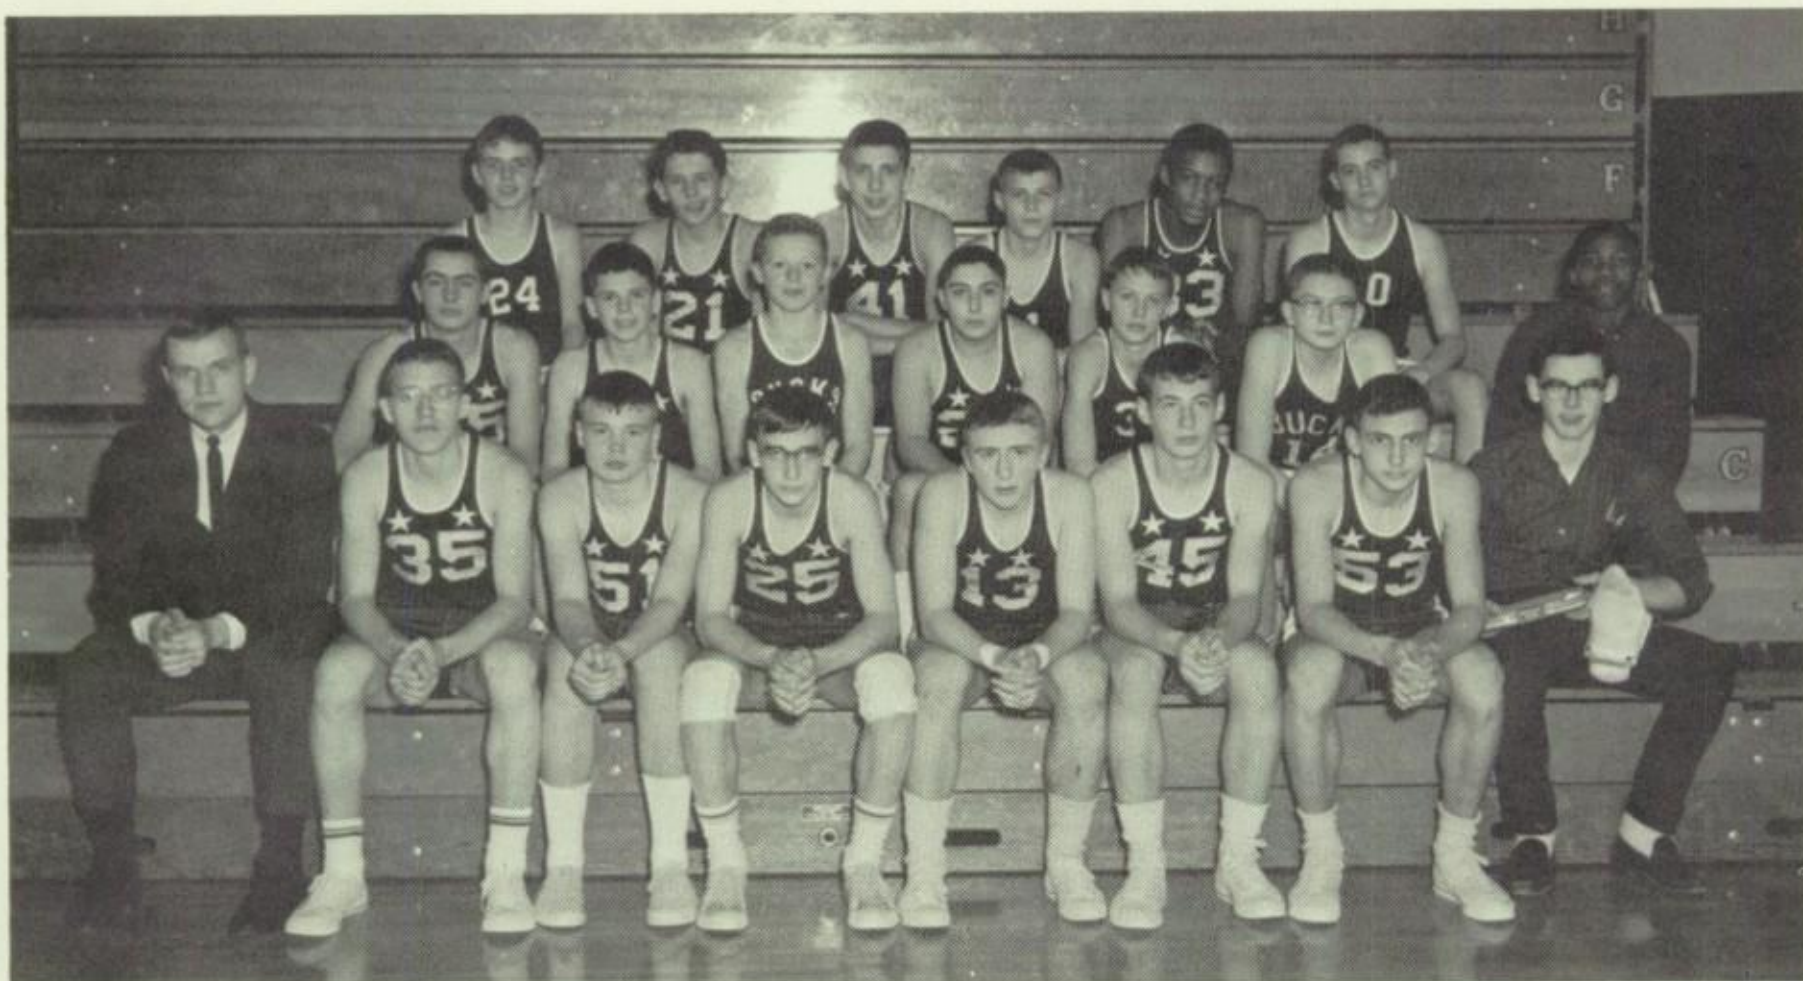

FIRST ROW TOP TO BOTTOM: Don Rennhack, coach, F. Brown, J. Swem, . Miller, J. Schneider, M. Sexton, R. Luke. SECOND ROW: A. McKinney, B. Stroud, B. Babbs, J. Dick, J. Rumsey, G. Armstrong.

Good Season

The Jayvees, coached by Mr. Donald Rennhack, had a better season than the Varsity. They, like their Senior counterparts, have had their share of exciting games. Five games were won or lost by less than six points.

The leading scorers, all who had better than a ten point average, are Bill Stroud, Bill Babbs, John Dick and Francis Brown. Bill Stroud had the leading average, having poured in the baskets at the average of 14 per game. The high point total for a single game, was held by Francis Brown and John Dick with the record of twenty-two.

The size of the squad, slowly dwindled because of injuries or other reasons which forced a person to resign from the team. The Jayvees improved greatly after "getting bombed" by St. Joe, by the score of . . . well, let's just say it wasn't good for our side. And if they would have had a couple of breaks our Jayvees might have had a better record than they ended up with. Mr. Berry can look forward to a lot of help from the Jayvees when the Basketball season begins next year. Mr. Rennhack has produced a fine "team" playing group, whose experience and well rounded ability will enable Buchanan to keep their fine Basketball record again in the years to come.

FRESHMAN BASKETBALL: FRONT ROW, 1-4, Mr. Proud, coach, R. Dockery, T. Miller, P. Falkernstein, S. Doky, D. Stelter, B. Leiter, mgr. J. Erwin. SECOND ROW, B. Stibbs, P. Jochem, T. Armstrong, D. Billotti, M. Gray, R. Gridley, C. Hankerson. BACK ROW, R. Rundborg, P. Marzita, B. Rauch, J. Prenkert, H. Miller, J. Daley.

Freshman Basketball

This year's freshman basketball team compiled a very fine 9-3 record, losing to only Cassopolis, Coloma, and Benton Harbor. Coach Roud's team, composed of twenty boys, was led by the scoring of Bill Rauch and the rebounding of Hayward Miller. The highlight of the season came at the first annual Freshman Tournament held and sponsored by Berrien Springs. The fine balance of the young Bucks paid off as they breezed through three opponents to win the crown.

Buchanan fans will be seeing much of these boys in future years in Jayvee and possibly Varsity Buck Cage teams. Their experience and overall balanced talent will enable them to fill in the many vacant positions with ease and ability.

KNEELING, l-r: M. Hawks, M. Shirley, G. Armstrong, D. Schoenemann, J. Rumsey, C. Falkenstein, J. Mitch, D. Shoemake, L. Eichler, L. Watson. STANDING, Mr. Proud, Coach; G. Huron, manager; L. Lamb, G. Miller, J. Flenar, L. Allen, J. Coffel, M. Heieny, B. Stroud, B. Babbs, T. Tees, Mr. Severs, Coach.

Baseball Team Second in Blossomland Conference

Led by captain David Shoemake, the Buchanan baseball squad compiled an eight, four record. The Bucks finished second behind Brandywine in the Blossomland Conference with a six, four record. Under the fine direction of both Coach Severs and Coach Proud the Bucks came through strong with a very good finishing record.

David Shoemake led the team in both pitching and hitting. Larry Allen and Gary Armstrong rounded out the pitching corps. Backing up Shoemake in the hitting department were Jim Rumsey and Joe Mitch.

The Bucks were hit hard in the key spots due to graduation. Four starting members of the Buck-Baseballers were lost, Larry Allen, Joe Mitch, Joe Coffel, and Larry Lamb. Although the loss of the graduating seniors will be felt, a strong J.V. team of last year should furnish some bright prospects.

GOLF TEAM: l-r; Mr. Converse, coach, L. Penwell, P. Witt, J. Schneider, C. Fritsch, R. Luke, R. McIntosh, M. Sexton, J. Dick.

Win Blossomland Conference Meet

The golf team experienced one of the most successful seasons in a long time. Besides their season record of 10-5, they also took the Blossomland Conference meet, winning easily by twenty strokes. Of twenty-one teams competing in the regionals, Buchanan placed eighth.

Buchanan lost only one member, Casper Fritsch, a foreign exchange student; through graduation. The rest of the golfers will be back for another season, including John Dick, Mike Sexton and John Schneider, the top three golfers of the past season. Also back are several golfers who golfed in the fifth position during the season. Add to these several promising prospects and the golfers have a very bright future indeed.

KNEELING l-r: M. Gooch, L. Tilly, A. McKinney, L. Money, J. Donley, J. Wallace. STANDING: Mr. Rykhus, J. Noldon, D. Best, M. Luke, J. Stelter, J. Withers, N. Young, D. Zelmer, T. Pierce, P. Churchill, C. Remington, T. Handley, L. Elliott, Mr. Renhack.

Track Team Wins Championship

For the first time in school history Buchanan won a conference track championship incapping a successful track season.

At the Blossomtime Relays the Bucks gave indications of their strength by winning two

relays. Curt Remington, Jerry Donley, Jerry Withers and Jim Stelter carried the baton for a record 2:39.4 in the sprint medley relay. The mile relay team brought the baton across the line first, in the time of 3:43.8. The broad jump relay team gained a first at the Portage Relays. The shuttle hurdle relayers claimed a third place in their field. The mile relay team qualified for the state meet. Jack was second in the high hurdles and Curt was third in the 440 Yd. dash. On good efforts by each member the Bucks withstood the wind and challenge of Brandywine to emerge as conference champions. Jack Noldon won firsts in the high and low hurdles and his first in the broad jump was a conference record. At the meets end the Bucks led by five points.

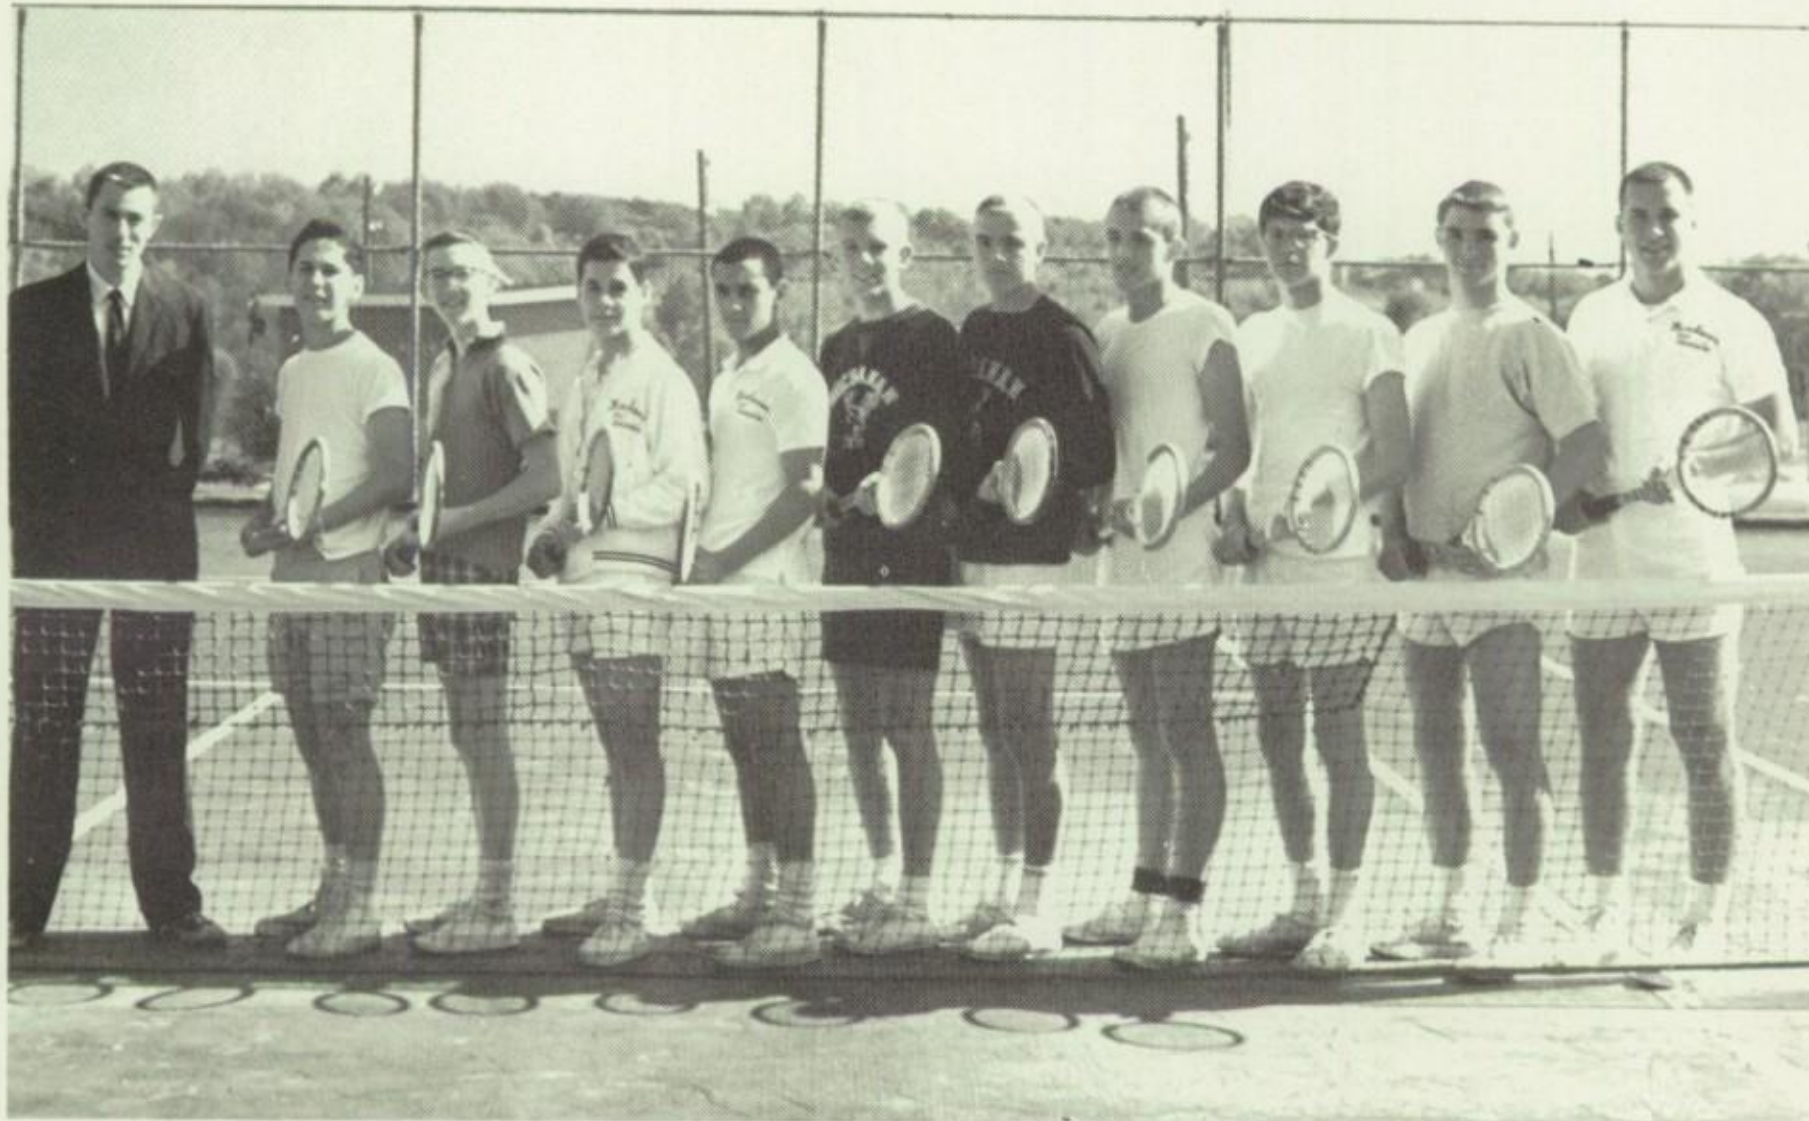

Team Led by Corominas

Good team spirit and effort gave the team its successful season--when the chips were down, and the best singles players were having trouble, any one of the doubles teams would come through and win their match closely, giving the team its victory. Buchanan took the trophy in Niles for the regional tennis tournaments with 12 1/2 points followed closely by Comstock with 10 1/2 points. In the State Finals at Kalamazoo, Buchanan entered Alfonso Corominas, the foreign exchange student on the team. Al won three of his matches to get to the finals where he lost his match 6-2, 6-2. Buchanan also entered Jerry Kennedy who drew a bye in the first round, defeated his man in the second round, and lost in the quarter-finals.

Next year the tennis team will begin the season with the loss of four racketers through graduation and of Alfonso who will be back home in Mexico. They do expect a good season however with the able assistance of returning lettermen.

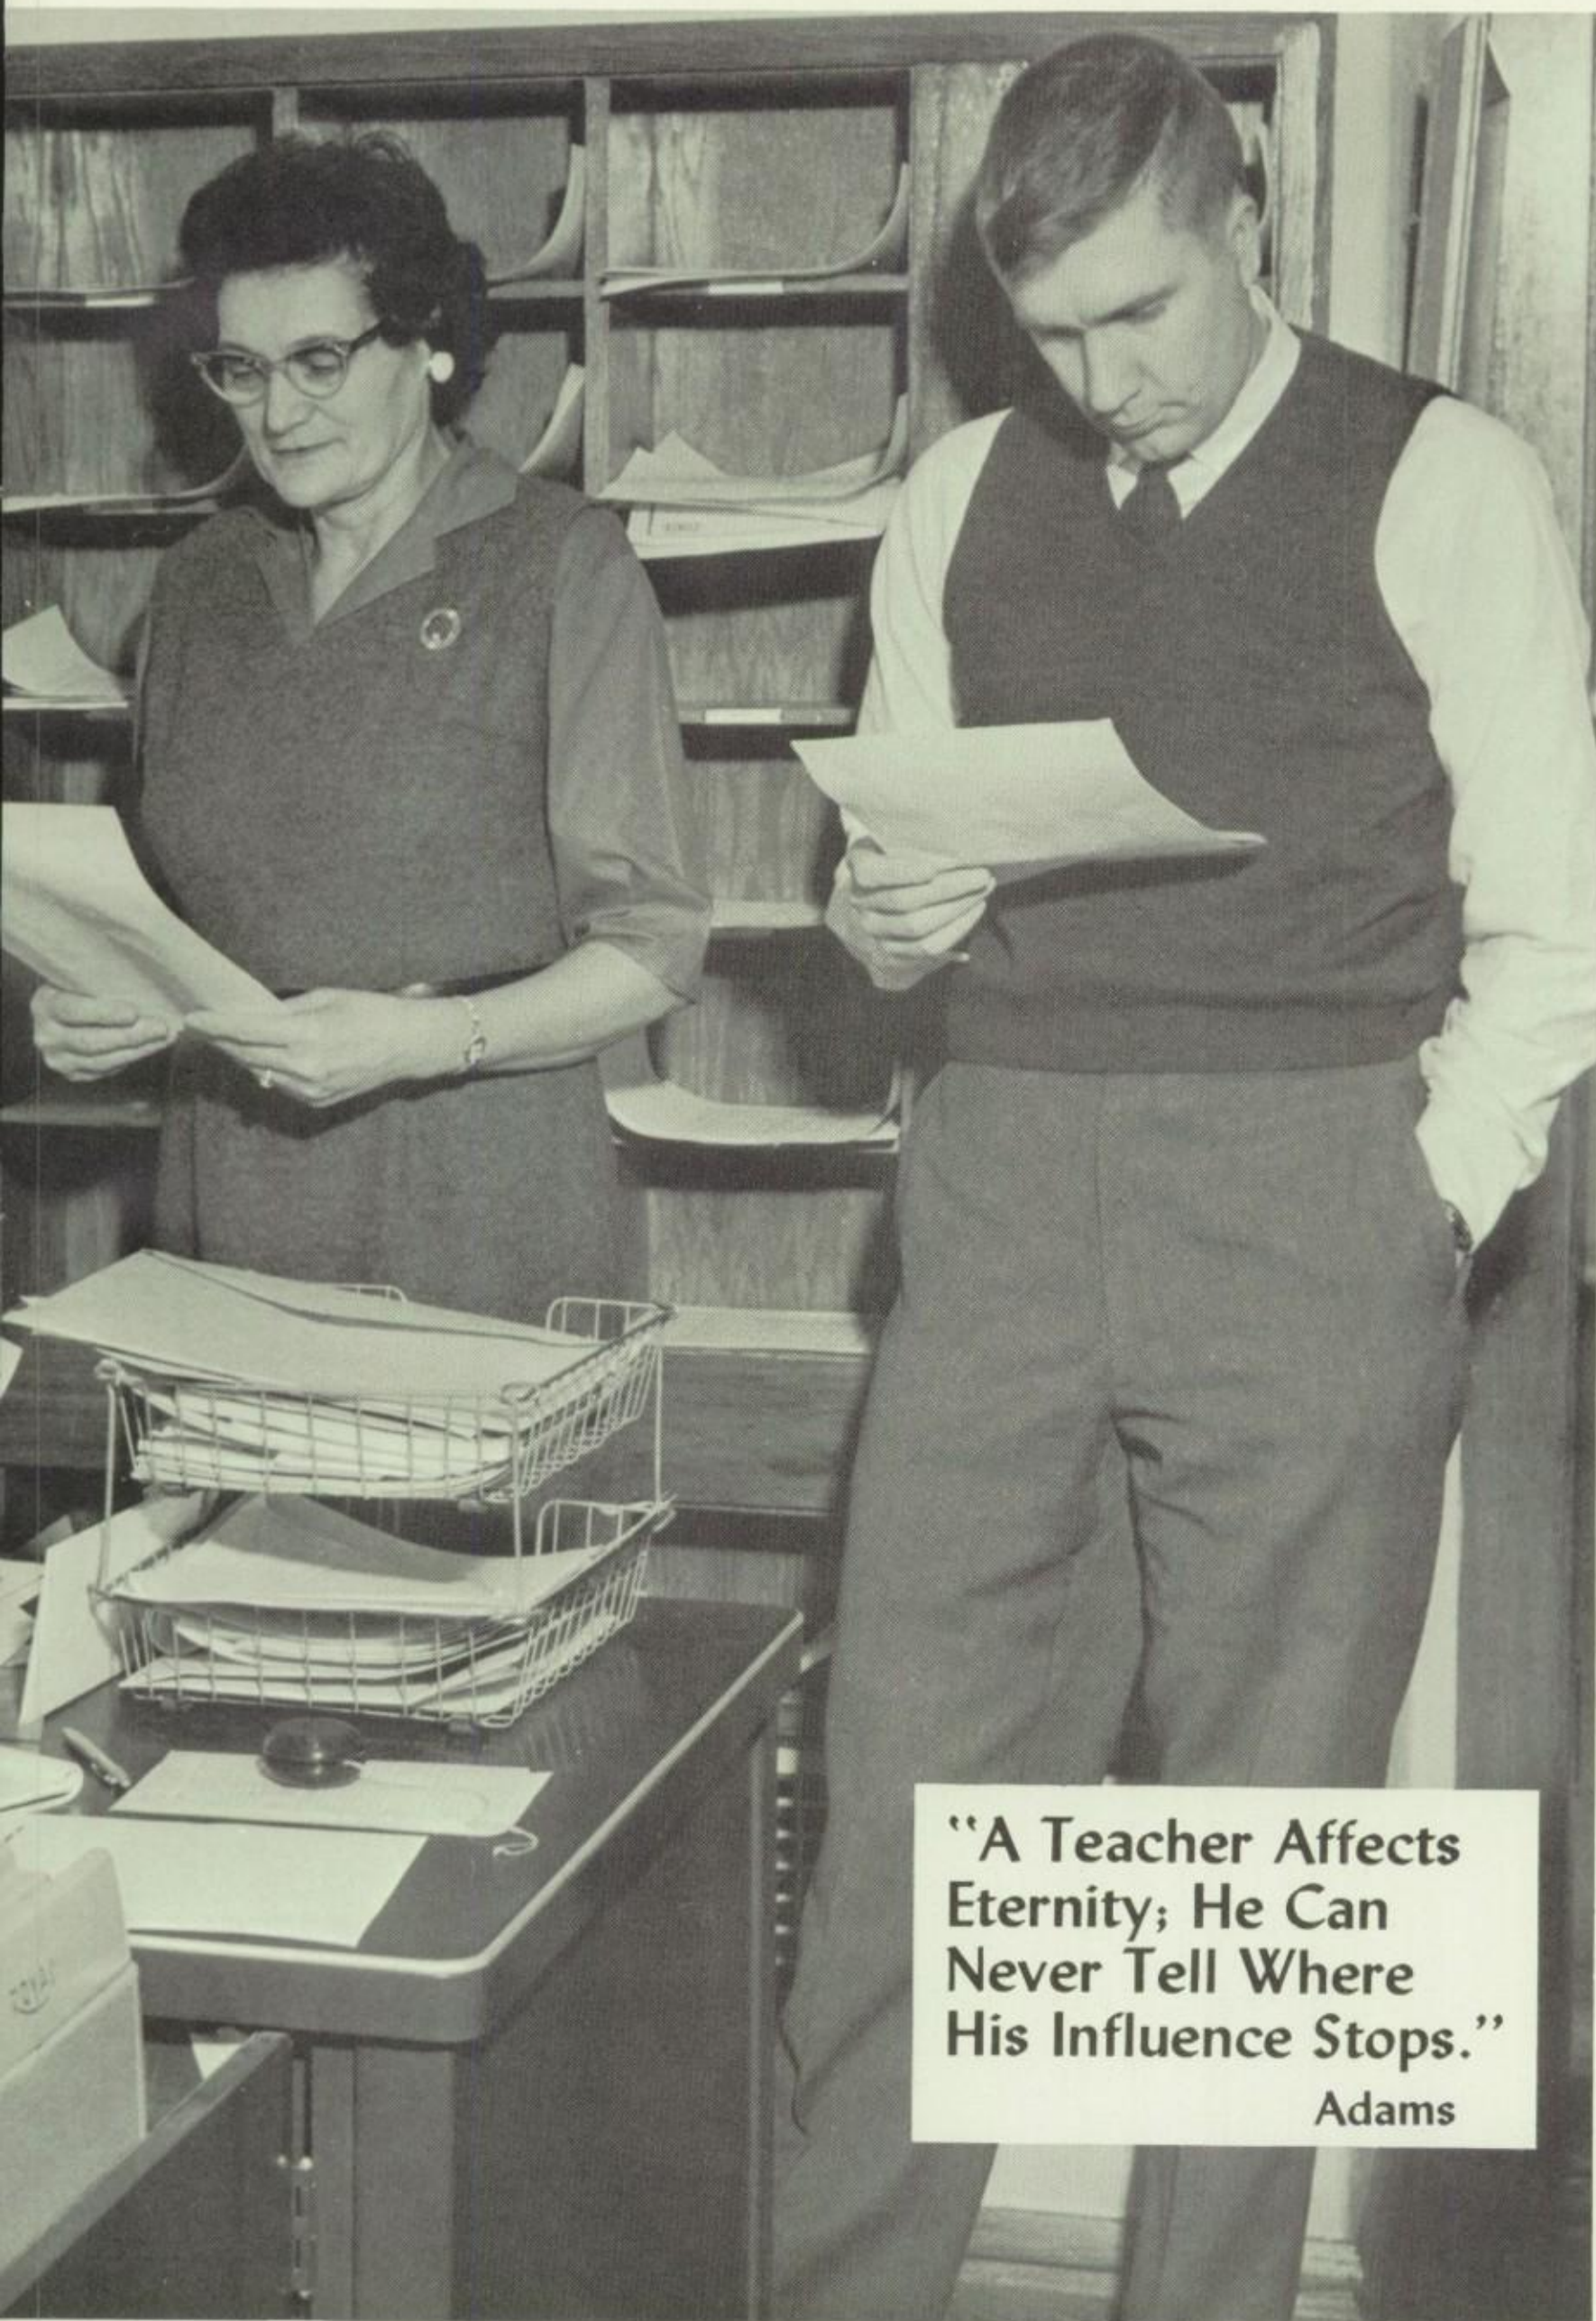

The Tennis team especially would like to show their appreciation of the help given them by Al. He will be missed both for his fine ability as a tennis player and his warm personality. Many times he seemed to be just what the team needed when they felt low.

TENNIS TEAM: 1-r, Mr. Longley, coach, K. Mitchell, R. McIntosh, A. Crominas, M. Donolfo, J. Kennedy, T. Lockey, G. Kelly, J. Rose, C. Rumsey.

And now . . . Good-By

In Appreciation

For most students this book will serve as a vehicle through which one can "look back and retrace" some of the most memorable moments of an entire lifetime. We hope that our efforts and your experiences as expressed on the pages of this book will not fall into the same plight as most school yearbooks and be packed away to be forgotten forever. Instead the staff have as their sincere wish that you will place your 1965 PINES among your most valued possessions and that it will be a source of unending enjoyment.

And it is at this time the staff wishes to extend sincere appreciation to all the students, faculty, patrons and Mr. Trull for making this book possible.
